RE: SUP-023978-2017

Dear Ms. Soyars:

I am writing on behalf of the Fan District Association (FDA) to relay our vote "not to oppose" the special use permit (SUP) request related to your daycare activities at the Tabernacle Baptist Church. The vote was unanimous.

Should anything significant change related to your SUP, please update the FDA Zoning Committee. Otherwise, this concludes the FDA's involvement with your process.

We hope you have a smooth, successful project.

Sincerely,

Katherine Jordan
FDA President
