RE: Replacement of Playground Equipment at the Carillon

ORDINANCE OR RESOLUTION NO.:

PURPOSE: To authorize the Chief Administrative Officer to accept a gift of improvements from the Carillion Civic Association (CCA) for the sole purpose of replacing failing playground equipment at the Carillon. The value of the CCA's donation is \$52,000.

REASON: Portions of the existing playground were removed due to wear and tear. The removed portions were in such disrepair that they could not be refurbished. The replacement is required in order to provide users with a complete playground that is free of safety hazards.

RECOMMENDATION: The Department of Parks, Recreation, and Community Facilities recommends acceptance of the new playground equipment as it would provide a significant and attractive improvement to the grounds surrounding the Carillon.

BACKGROUND: In September of 1997 the CCA bought and officially donated playground equipment to the City's Parks, Recreation, and Community Facilities department to be placed at the Carillon. This gift is a continuation of CCA's stewardship of the children's playground equipment in the park.

FISCAL IMPACT/COST: There is no increased fiscal impact or associated cost to the City.

FISCAL IMPLICATIONS: None. However, denial of this resolution will result in the complete removal of the existing equipment.

BUDGET AMENDMENT NECESSARY: None

REVENUE TO CITY: None
