To The Planning Commission:

I am writing to oppose amending the Richmond 300 Plan as described in PRDPRES 2022.038. The amendment is not only opposed to me but also by the leadership of the Department of Planning and Development.

I agree with the position the department took on opposing the amendment at the 6/27/2022 City Council Meeting because the creation of additional mixed use development helps the city become more equitable and sustainable as outlined in the original plan.

Just wanted to make my voice heard.

Very Respectfully,
Michael Schwinabart
