RE: Community Unit Plan Amendment proposed for 2100 Sheila Lane

Mr. Mike Hanky:

As discussed with you, the Southampton Citizens Association met on Dec. 4th, 2018 and the agenda included a vote to support the Amendment to the current CUP that would authorize the development of a Self-Storage facility at 2100 Sheila Lane as you presented to our membership on 9/18/18.

I am pleased to let you know that the members of the Southampton Citizens Association in attendance at the meeting voted unanimously to support the amendment to the CUP and to support the proposed development of the Self-Storage facility.

We wish you success with the project and look forward to having a quality development for our neighborhood. Please feel free to contact me with any questions or updates as you move forward.

Sincerely:

Jeffrey Donahue

President of the Southampton Citizens Association

CC: Lory Markham
