Re: Email from Travis Ford to Raymond Roakes (UDC Committee), Feb 2023.

This letter is to address the training facilities for HICKORY HILL COMMUNITY CENTER. I am writing on behalf of The Upper Reservoir District, that includes five different neighborhoods. Brookbury, Belmont Woods, Merchies Hill, Adam's Park and Reservoir Heights.

Hickory Hill Community Center serves surrounding communities in many ways. It is a center of constructive, positive engagement for citizens of all ages to meet and participate in sports, group activities and other forms of community connections.

The fire department training facility would interfere with the great benefits that Hickory Hill brings to our citizens and communities. We need more amenities made available to Hickory Hill community helps our neighborhood to thrive.

The Upper Reservoir District, oppose the plan, we do support the training facility.

We need more amenities made available to us, not, not disruption.
