#### ORDINANCE/RESOLUTION SUMMARY

The patron request is to amend Ordinance No. 2024-099, adopted May 13, 2024, which adopted the FY 2024-2025 General Fund Budget, to change the uses and allocation of the Council District Funds for the Ninth District and amends the 9<sup>th</sup> District FY25 Anticipated District Expense List.

#### BACKGROUND

The purpose of this amendment is to comply with requirements of Va. Code Section 15.2-2053, which requires that a locality's budget stipulate how the local governing body discretionary funds will be used. This Section allows individual members of the governing body to propose amendments during the fiscal year to change the uses and allocation of those discretionary funds.

The purpose of this request is to amend Ordinance No. 2024-099, adopted May 13, 2024, which adopted the FY24-25 General Fund Budget to change the uses and allocation of the Council District Funds for the Ninth District and amends the Ninth District FY25 Anticipated Council District expense list funding allocations to the categories as indicated on the Ninth District FY25 Anticipated Expense List attached.

The Ninth District Expense List category amounts in the current budget Ordinance, adopted May 13, 2024, should be changed to reflect adjustments in the categories indicated on the attached Ninth District Expense List, as required by Va. Code Section 15.2-25-3. The purpose of this proposal is to allow clear authority to make such expenditures by amending the FY25 Ninth Council District Anticipated Expense List.

The expected date of introduction is April 28, 2025.
