ORDINANCE/RESOLUTION SUMMARY

To amend Ord. No. 2023-273, adopted October 10, 2023, which adopted the annual budget, which includes all of the separate current expense budgets for the general operation of the City government and for each utility as defined in ch. 13 of the City Charter, for the fiscal year commencing Jul. 1, 2023, and ending Jun. 30, 2024, and to appropriate the estimated revenues for such fiscal year for the objects and purposes stated in such budget, to now adopt the Fiscal Year 2024 Council District Funds budgets. This request changes the allocation of the FY24 Council District Funds budget.

BACKGROUND

The purpose of this amendment is to comply with requirements of Va. Code Section 15.2-2503, which requires that a locality’s budget stipulate how local governing body discretionary funds will be used. This Section allows individual members of the governing body to propose amendments during the fiscal year to change the uses and allocation of those discretionary funds.

The patron wishes to amend the itemized allocations of funds in the FY24 Eighth Council District Budget to increase Grants at \$25,827; and to decrease the Constituents Outreach to \$5,693 and to decrease Administrative Services Category to \$657.

The Eighth District FY24 Anticipated District Expense List category amounts in the current budget per Ordinance No. 2023-071, adopted May 8, 2023, should be changed to reflect adjustments in the categories, as required by Va. Code Section 15.2-2503, for district initiatives in FY24 (see attached).

The purpose of this proposal is to allow clear authority to make such expenditures by amending the Eighth Council District FY24 Anticipated Expense List.

The requested introduction date for these amendments is May 28, 2024.
