ORDINANCE/RESOLUTION SUMMARY

Amend City Code §9-58 which assigns polling places in the city for the purpose of relocating the polling place for precinct 203 from the Hermitage Methodist Home located at 1601 Palmyra Avenue, to the Arthur Ashe Center, 3017 North Arthur Ashe Boulevard.

BACKGROUND

The current polling place for precinct 203 -- the Hermitage Methodist Home, located at 1601 Palmyra Avenue -- is a retirement community. This population is especially vulnerable to COVID-19. As such, the facility does not wish to allow non-residents into the building for future elections. This ordinance request is to relocate the polling place for precinct 203 to the Arthur Ashe Center.

The proposed new location is already a polling place for precinct 215. This change would require the co-location of the two precincts in the same building, but the facility is of sufficient size as to be able to accommodate both operations. It is, however, recommended that the polling precinct 203 be relocated back to the Hermitage Methodist Home when the facility opens itself back up to the public. The proposed new polling place

is accessible for persons with disabilities and, although outside of the existing boundaries of the precinct, it lies well within the one mile of the precinct boundary required by the Code of Virginia. Upon adoption of this ordinance, all registered voters (currently 1,519) affected by this change would be notified at least fifteen days before the election on November 3, 2020, pursuant to the requirements of §24.2-306 of the Code of Virginia,

The Office of the General Registrar anticipates that the notice will be included in the notice which must be mailed to all voters to announce the relocation of the main Office of the General Registrar itself. As such, this change is not expected to have any fiscal impact, therefore no budget amendment is requested at this time. It is anticipated that this notice will be mailed to all voters at the end of August.

Section 24.2-206 of the Code of Virginia prohibits changes to polling places within 60 days of a general election. As such, this ordinance must be adopted by September 3, 2020. Notice of this proposed change must be published prior to enactment one a week for two successive weeks before adoption.

The requested introduction date is July 27, 2020.
