ORDINANCE/RESOLUTION SUMMARY

Resolution is requested to support Love Lights Initiative for 2017-2018, which is the lighting of downtown Richmond. The Patron is requesting that the Love Lights end January 1, 2018 in an effort to conserve energy.

BACKGROUND

This Resolution is to support the Love Lights program in year 2017, which begins with the grand illumination of various buildings downtown in the city of Richmond on December 1, 2017 and ends January 1, 2018.

In 2004, Mr. Ray H. Boone, Editor/Publisher of the Free Press began promoting an initiative he named, "Love Lights" in hopes of encouraging downtown businesses to

keep their lights up longer. The intent of which was to escalate citizen peace in the city, to expand an appreciation for aesthetics and to give visitors a positive impression of Richmond. Historically, Mr. Boone spearheaded the effort of extending the customary holiday lighting of downtown Richmond buildings past the traditional holiday season until the 14th of February. It is recommended that in an effort to conserve energy, the lights last only until January 1, 2018.

Partners in the Love Lights program include the Richmond Free Press, the Richmond Metropolitan Convention and Visitors Bureau and Venture Richmond, as well as other businesses and institutions located in downtown Richmond. The Love Lights program has earned local and national recognition, including a 2006 Virginia Museum of Fine Arts Muse Award and the 2006 DaimlerChrysler Financial Services/NNPA Foundation Entrepreneurial Award.

Richmond City Council annually supports participation in the Love Lights program (Res. No. 2009-R187-185). This is an initiative which has enhanced and illuminated a spirit of cooperation in the City.
