RE: MLK Bridge Apprentice Summer Mural Project (10'x108' mural art on Southeast wall)

Dear Ms. Hayes,

After reviewing the mural art project on Southeast wall of the MLK Bridge, DPW approves the project with the following conditions:

1. WISP Application to be filed and approved before the project begins.
2. The pedestrian path should remain accessible during the art program.
3. A written agreement from the artist that City reserves rights to modify/remove the art work when City warrants.
4. DPR will maintain the art work.

We look forward to seeing one of the most inspiring mural arts in the city.

Sincerely,

A handwritten signature in blue ink, appearing to read "Bobby Vincent". The signature is stylized with a long horizontal stroke and a vertical stroke on the right.
