BACKGROUND: House Bill 1887 requires funding to be allocated for Primary Extension Paving Program under State of Good Repair for U.S. Routes and Virginia State Routes. The program must include the condition of the existing transportation assets; the methodology used to determine maintenance and state of good repair needs; performance targets and outcomes; listings of prioritized pavement projects based on priority ranking system.

The bill requires the Commonwealth Transportation Board (CTB) to develop a priority ranking system for deteriorated pavement on Primary Arterial Roads. The Primary Extension Paving Program is a state wide program and the City of Richmond submitted the application for Chippenham Parkway (N) from Forest Hill Avenue off Ramp to Gravel Hill Rd (estimated cost of \$92,386.00); Chippenham Parkway (N) from Archdale Rd to Forest Hill Avenue off Ramp (estimated cost of \$236,522.00); (Route 60) W. Roanoke Street from Forest Hill Avenue to Midlothian Turnpike (estimated cost of \$172,943.00); Westover Hills Boulevard (S) east bound lane from Dunston Avenue to Brandon Road (estimated cost of \$258,864.00) and Westover Hills Boulevard (S) west bound lane from Brandon Road to Dunston Avenue (estimated cost of \$232,050.00). The scope of this project consist of milling, resurfacing and handicap upgrades for and estimated cost of \$992,765.00.

The Chippenham Parkway (N), (Route 60) W. Roanoke Street and Westover Hills Boulevard (S) were submitted in December 2018 and received approval for funding from Commonwealth Transportation Board (CTB) in June 2019 in the total amount of \$992,765.00. Breakdown of the \$992,765.00 equates to nonreimbursable VDOT administrative cost \$59,564.00, reimbursable state funds to the City for construction \$933,201.00

THIS AGREEMENT, made and executed in triplicate this ____ day of _____, 2019, by and between the City of Richmond, Virginia, hereinafter referred to as the LOCALITY and the Commonwealth of Virginia, Department of Transportation, hereinafter referred to as the DEPARTMENT.

Upon termination and unless otherwise agreed to, the DEPARTMENT shall retain ownership of plans, specifications, and right of way for which state funds have been provided, unless all state funds provided for the Project have been reimbursed to the DEPARTMENT by the LOCALITY, in which case the LOCALITY will have ownership of the plans, specifications, and right of way.

THE LOCALITY and DEPARTMENT acknowledge and agree that this Agreement has been prepared jointly by the parties and shall be construed simply and in accordance with its fair meaning and not strictly for or against any party.

THE LOCALITY and the DEPARTMENT further agree that should Federal-aid Highway funds be added to the project, this agreement is no longer applicable and shall be terminated.
