**RE:** To amend ch. 9, art. III, of the City Code by adding therein a new section 9-58.1, concerning polling place licenses.

**PURPOSE:** To amend ch. 9, art. III, of the City Code by adding therein a new section 9-58.1, concerning polling place licenses.

**BACKGROUND:** City Code section 2-91 authorizes the Chief Administrative Officer, without City Council approval, to enter into license agreements to use real property not owned by the City for a period of not more than five (5) days. The General Registrar operates over 20 polling places located at Richmond Public Schools, churches, recreation centers, private facilities, etc., during primary, special, and general elections. The General Registrar must coordinate the delivery, pickup, setup, and breakdown of election materials for each polling place which requires use of the real property for more than five (5) days. The new code section seeks to allow the Chief Administrative Officer to enter into license agreements for use of real property for public polling places, provided that the length of the license does not exceed fifteen (15) days.
