## **Siegel Support**

📁 Found in Church Hill Ventures Inbox

To whom it might concern,

I am writing this letter in support of the rezoning of the area surrounding the Siegel store. This is a pivotal moment for a neighborhood that desperately needs the help.

As a business owner in the area, I see first hand the conditions that the city has let this neighborhood slip into. Rezoning the area would be a strong first step in the right direction. Please consider pledging your support to this endeavor.

Respectfully,  
Mike Moore
