## FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT

### 1. Contract Purpose

- a. Title 37.2 of the Code of Virginia establishes the Virginia Department of Behavioral Health and Developmental Services, hereafter referred to as the Department, to support delivery of publicly funded community mental health, developmental, and substance abuse services and supports and authorizes the Department to fund those services.
  - b. Sections 37.2-500 through 37.2-512 of the Code of Virginia require cities and counties to establish community services boards for the purpose of providing local public mental health, developmental, and substance abuse services; §§ 37.2-600 through 37.2-615 authorize certain cities or counties to establish behavioral health authorities that plan and provide those same local public services. In this contract, the community services board, local government department with a policy-advisory community services board, or behavioral health authority named in section 10 is referred to as the CSB. Section 37.2-500 or 37.2-601 of the Code of Virginia requires the CSB to function as the single point of entry into publicly funded mental health, developmental, and substance abuse services. The CSB fulfills this function for any person who is located in the CSB's service area and needs mental health, developmental, or substance abuse services.
  - c. Sections 37.2-508 and 37.2-608 of the Code of Virginia and State Board Policy 4018 establish this contract as the primary accountability and funding mechanism between the Department and the CSB, and the CSB is applying for the assistance provided under Chapter 5 or 6 of Title 37.2 by submitting this contract to the Department.
  - d. The CSB Administrative Requirements document is incorporated into and made a part of this contract by reference and includes or incorporates by reference ongoing statutory, regulatory, policy, and other requirements that are not contained in this contract. The CSB shall comply with all provisions and requirements in that document. If there is a conflict between provisions in that document and this contract, the language in this contract shall prevail. That document is available at <http://www.dbhds.virginia.gov/professionals-and-service-providers/csb-community-contracting>, the community contracting web page.
  - e. The Department and the CSB enter into this contract for the purpose of funding services provided directly or contractually by the CSB in a manner that ensures accountability to the Department and quality of care for individuals receiving services and implements the mission of supporting individuals by promoting recovery, self-determination, and wellness in all aspects of life. The CSB and the Department agree as follows.
2. **Relationship:** The Department functions as the state authority for the public mental health, developmental, and substance abuse services system, and the CSB functions as the local authority for that system. The relationship between and the roles and responsibilities of the Department and the CSB are described in the Partnership Agreement between the parties, which is incorporated into and made a part of this contract by reference. The Agreement is available on the community contracting web page. This contract shall not be construed to establish any employer-employee or principal-agent relationship between employees of the CSB or its board of directors and the Department.
  3. **Contract Term:** This contract shall be in effect for a term of two years, commencing on July 1, 2016 and ending on June 30, 2018 if, by mutual agreement of both parties pursuant to the provisions of § 37.2-508 of the Code of Virginia, it is renewed for an additional fiscal year with the insertion of revised Exhibits A, E, F, and G for FY 2018.

## FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT

### 4. Scope of Services

- a. **Services:** Exhibit A of this contract includes all mental health, developmental, and substance abuse services provided or contracted by the CSB that are supported by the resources described in section 5 of this contract. Services and certain terms used in this contract are defined in the current Core Services Taxonomy, which is incorporated into and made a part of this contract by reference and is on the community contracting web page.
- 1.) The CSB shall notify the Department before it begins providing a new category or subcategory or stops providing an existing category or subcategory of core services if the service is funded with more than 30 percent of state or federal funds or both. The CSB shall provide sufficient information to the Office of Support Services (OSS) in the Department for its review and approval of the change, and the CSB shall receive the Department's approval before implementing the new service or stopping the existing service. Pursuant to 12VAC35-105-60 of the *Rules and Regulations for Licensing Providers by the Department of Behavioral Health and Developmental Services*, the CSB shall not modify a licensed service without submitting a modification notice to the Office of Licensing in the Department at least 45 days in advance of the proposed modification.
  - 2.) The CSB operating a residential crisis stabilization program shall not increase or decrease the licensed number of beds in the program or close the program temporarily or permanently without informing the Office of Licensing and the OSS and receiving the Department's approval prior to implementing the change. The CSB shall ensure that, once it is fully operational, the program achieves an annual average utilization rate of at least 75 percent of available bed days as measured by data from CCS 3 service records and Community Automated Reporting System (CARS) service capacity reports. A residential crisis stabilization program shall accept any appropriate individuals under temporary detention orders (TDOs) and establish clinical criteria specifying the types of individuals under TDOs that it will accept. The CSB shall attach a copy of the criteria to this contract for the Department's review and approval.
- b. **Expenses for Services:** The CSB shall provide those services funded within the funds and for the expenses set forth in Exhibit A and documented in the CSB's financial management system. The CSB shall distribute its administrative and management expenses across the three program areas (mental health, developmental, and substance abuse services), emergency services, and ancillary services on a basis that is auditable and satisfies Generally Accepted Accounting Principles. CSB administrative and management expenses shall be reasonable and subject to review by the Department.
- c. **Continuity of Care:** The CSB shall follow the Continuity of Care Procedures in Appendix A of the CSB Administrative Requirements. The CSB shall comply with regional emergency services protocols.
- 1.) **Coordination of Developmental Disability Waiver Services:** The CSB shall provide case management services directly or through contracts to all individuals who are receiving services under Medicaid Developmental Disability Home and Community-Based Waivers (DD Waivers). In its capacity as the case manager for these individuals and in order to receive payment for services from the Department of Medical Assistance Services (DMAS), the CSB shall coordinate the development of service authorization requests for DD Waiver services and submit them to the Department for authorization, pursuant to the current DMAS/Department Interagency Agreement, under which the

## FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT

Department authorizes waiver services as a delegated function from the DMAS. As part of its specific case management responsibilities for individuals receiving DD Waiver services, the CSB shall coordinate and monitor the delivery of all services to individuals it serves, including monitoring the receipt of services in an individual's individual support plan (ISP) that are delivered by independent providers who are reimbursed directly by the DMAS, to the extent that the CSB is not prohibited from doing so by such providers (refer to the DMAS policy manuals for the DD Waivers). The CSB shall raise issues regarding its efforts to coordinate and monitor services provided by independent vendors to the applicable funding or licensing authority, such as the Department, DMAS, or Virginia Department of Social Services. In fulfilling this service coordination responsibility, the CSB shall not restrict or seek to influence an individual's choice among qualified service providers. This section does not, nor shall it be construed to, make the CSB legally liable for the actions of independent providers of DD Waiver services.

- 2.) **Linkages with Health Care:** When it arranges for the care and treatment of individuals in hospitals, inpatient psychiatric facilities, or psychiatric units of hospitals, the CSB shall assure its staff's cooperation with those hospitals, inpatient psychiatric facilities, or psychiatric units of hospitals, especially emergency rooms and emergency room physicians, in order to promote continuity of care for those individuals. Pursuant to subdivision A.4 of § 37.2-505, the CSB shall provide information using a template provided by the Department about its substance abuse services for minors to all hospitals in its service area that are licensed pursuant to Article 1 of Chapter 5 of Title 32.1.
- 3.) **Medical Screening and Medical Assessment:** When it arranges for the treatment of individuals in state hospitals or local inpatient psychiatric facilities or psychiatric units of hospitals, the CSB shall assure that its staff follows the most current *Medical Screening and Medical Assessment Guidance Materials*. The CSB staff shall coordinate care with emergency rooms, emergency room physicians, and other health and behavioral health providers to ensure the provision of timely and effective medical screening and medical assessment to promote the health and safety of and continuity of care for individuals receiving services.
- 4.) **Coordination with Local Psychiatric Hospitals:** When the CSB performed the preadmission screening and when referral to the CSB is likely upon the discharge of an individual admitted involuntarily, the CSB shall coordinate or, if it pays for the service, approve an individual's admission to and continued stay in a psychiatric unit or hospital and collaborate with that unit or hospital to assure appropriate treatment and discharge planning to the least restrictive setting and to avoid the use of these facilities when the service is no longer needed.
- 5.) **Targeted Case Management Services:** In accordance with the Community Mental Health Rehabilitative Services manual and the policy manuals for the DD Waivers issued by the DMAS, the CSB shall be the only provider of rehabilitative mental health case management services and shall have sole responsibility for targeted DD case management services, whether the CSB provides them directly or subcontracts them from another provider.
- 6.) **Choice of Case Managers:** Individuals receiving case management services shall be offered a choice of case managers to the extent possible, and this shall be documented by a procedure to address requests for changing a case manager or for receiving case management services at another CSB or from a contracted case management services

## **FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT**

provider. The CSB shall provide a copy of this procedure to the Department upon request. During its inspections, the Department's Licensing Office may verify this as it reviews services records and examines the procedure.

- 7.) Access to Services:** The CSB shall not require an individual to receive case management services in order to receive other services that it provides, directly or contractually, unless it is permitted to do so by applicable regulations or the person is an adult with a serious mental illness, a child with or at risk of serious emotional disturbance, or an individual with a developmental disability or a substance use disorder, the person is receiving more than one other service from the CSB, or a licensed clinician employed or contracted by the CSB determines that case management services are clinically necessary for that individual. Federal Medicaid targeted case management regulations forbid using case management to restrict access to other services by Medicaid recipients or compelling Medicaid recipients to receive case management if they are receiving another service. The CSB shall not establish or implement policies that deny or limit access to services funded in part by state or local matching funds or federal block grant funds only because an individual: a.) is not able to pay for services, b.) is not enrolled in Medicaid, or c.) is involved in the criminal justice system.
- 8.) PACT Criteria:** If the CSB receives state or federal funds for a Program of Assertive Community Treatment (PACT), it shall:
  - a.) Prioritize providing services to individuals with serious mental illnesses who are frequent recipients of inpatient services or are homeless;
  - b.) Achieve and maintain a caseload of 80 individuals receiving services after two years from the date of initial funding by the Department; and
  - c.) Participate in technical assistance recommended by the Department.
- 9.) Virginia Psychiatric Bed Registry:** The CSB shall participate in and utilize the Virginia Psychiatric Bed Registry required by § 37.2-308.1 of the Code of Virginia to access local or state hospital psychiatric beds or residential crisis stabilization beds whenever necessary to comply with requirements in § 37.2-809 of the Code that govern the temporary detention process. If the CSB operates residential crisis stabilization services, it shall update information about bed availability included in the registry whenever there is a change in bed availability for the facility or, if no change in bed availability has occurred, at least daily.
- 10.) Preadmission Screening:** The CSB shall provide preadmission screening services pursuant to § 37.2-505 or § 37.2-606, § 37.2-805, § 37.2-809 through § 37.2-813, § 37.2-814, and § 16.1-335 et seq. of the Code of Virginia and in accordance with the Continuity of Care Procedures in Appendix A of the CSB Administrative Requirements for any person who is located in the CSB's service area and may need admission for involuntary psychiatric treatment. The CSB shall ensure that persons it designates as preadmission screening clinicians meet the qualifications established by the Department per section 4.h and have received required training provided by the Department.
- 11.) Discharge Planning:** The CSB shall provide discharge planning pursuant to § 37.2-505 or § 37.2-606 of the Code of Virginia and in accordance with State Board Policies 1035 and 1036, the Continuity of Care Procedures, and the current *Collaborative Discharge Protocols for Community Services Boards and State Hospitals - Adult & Geriatric or Child & Adolescent* and the *Training Center - Community Services Board Admission and Discharge Protocols for Individuals with Intellectual Disabilities* issued

by the Department that are incorporated into and made a part of this contract by reference. The protocols are available on the Department's web site. The CSB shall monitor the state hospital extraordinary barriers to discharge list and strive to achieve community placements for individuals on the list for whom it is the case management CSB as soon as possible.

- d. Populations Served:** The CSB shall provide needed services to adults with serious mental illnesses, children with or at risk of serious emotional disturbance, individuals with intellectual disability, individuals with other developmental disabilities who are receiving services through the DD Waivers or are priority I or priority II on the DD Waiver waiting list, or individuals with substance use disorders to the greatest extent possible within the resources available to it for this purpose. These populations are defined in the current Core Services Taxonomy.
- e. Department of Justice Settlement Agreement Requirements:** The CSB agrees to comply with the following requirements in the Settlement Agreement for Civil Action No: 3:12cv00059-JAG between the U.S. Department of Justice and the Commonwealth of Virginia, entered in the U. S. District Court for the Eastern District of Virginia on August 23, 2012 [section IX.A, p. 36]. Sections identified in text or brackets refer to sections in the Agreement. Requirements apply to the target population in section III.B: individuals with intellectual or developmental disabilities who currently (i) reside in training centers, (ii) meet criteria for the DD Waiver waiting list, (iii) reside in a nursing home or an ICF, or (iv) receive Medicaid Home and Community-Based DD Waiver services.
  - 1.) Case management services, defined in section III.C.5.b, shall be provided to all individuals receiving Medicaid Home and Community-Based Waiver services under the Agreement by case managers who are not directly providing or supervising the provision of Waiver services to those individuals [section III.C.5.c, p. 8].
  - 2.) For individuals receiving case management services pursuant to the Agreement, the individual's case manager shall meet with the individual face-to-face on a regular basis and shall conduct regular visits to the individual's residence, as dictated by the individual's needs [section V.F.1, page 26]. At these face-to-face meetings, the case manager shall: observe the individual and the individual's environment to assess for previously unidentified risks, injuries, needs, or other changes in status; assess the status of previously identified risks, injuries, needs, or other changes in status; assess whether the individual's individual support plan (ISP) is being implemented appropriately and remains appropriate for the individual; and ascertain whether supports and services are being implemented consistent with the individual's strengths and preferences and in the most integrated setting appropriate to the individual's needs. The case manager shall document in the ISP the performance of these observations and assessments and any findings, including any changes in status or significant events that have occurred since the last face-to-face meeting. If any of these observations or assessments identifies an unidentified or inadequately addressed risk, injury, need, or change in status, a deficiency in the individual's support plan or its implementation, or a discrepancy between the implementation of supports and services and the individual's strengths and preferences, then the case manager shall document the issue, convene the individual's service planning team to address it, and document its resolution.
  - 3.) Using a process developed jointly by the Department and VACSB Data Management Committee, the CSB shall report the number, type, and frequency of case manager contacts with individuals receiving case management services [section V.F.4, p. 27].

**FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT**

- 4.) The CSB shall report key indicators, selected from relevant domains in section V.D.3 on page 24, from the case manager's face-to-face visits and observations and assessments [section V.F.5, p 27].
- 5.) The individual's case manager shall meet with the individual face-to-face at least every 30 days, and at least one such visit every two months must be in the individual's place of residence, for any individuals who [section V.F.3, pages 26 and 27]:
  - a.) Receive services from providers having conditional or provisional licenses;
  - b.) Have more intensive behavioral or medical needs as defined by the Supports Intensity Scale category representing the highest level of risk to individuals;
  - c.) Have an interruption of service greater than 30 days;
  - d.) Encounter the crisis system for a serious crisis or for multiple less serious crises within a three-month period;
  - e.) Have transitioned from a training center within the previous 12 months; or
  - f.) Reside in congregate settings of five or more individuals.Refer to Enhanced Case Management Criteria Instructions and Guidance available at <http://www.dbhds.virginia.gov/settlement/Guidance%20Enhanced%20Case%20Management%20Criteria%2004252014.pdf> for additional information.
- 6.) Case managers shall give individuals a choice of service providers from which the individual may receive approved Waiver services, present all options of service providers based on the preferences of the individual, including CSB and non-CSB providers, and document this using the Virginia Informed Choice Form available at <http://www.dbhds.virginia.gov/library/developmental%20services/dd%20bulletin%2011.pdf>. [section III.C.5.c, p. 8].
- 7.) Case managers shall offer education about integrated community options to any individuals living outside of their own or their families' homes and, if relevant, to their authorized representatives or guardians [sec. III.D.7, p. 14]. Case managers shall offer this education at least annually and at the following times:
  - a.) at enrollment in a DD Waiver,
  - b.) when there is a request for a change in Waiver service provider(s),
  - c.) when an individual is dissatisfied with a current Waiver service provider,
  - d.) when a new service is requested,
  - e.) when an individual wants to move to a new location, or
  - f.) when a regional support team referral is made as required by the Virginia Informed Choice Form.
- 8.) CSB emergency services shall be available 24 hours per day and seven days per week, staffed with clinical professionals who shall be able to assess crises by phone and assist callers in identifying and connecting with local services, and, where necessary, to dispatch at least one mobile crisis team member adequately trained to address the crisis [section III.C.6.b.i.A, p. 9]. This requirement shall be met through the regional REACH program that is staffed 24 hours per day and seven days per week by qualified persons able to assess and assist individuals and their families during crisis situations and has mobile crisis teams to address crisis situations and offer services and support on site to individuals and their families within one hour in urban areas and two hours in rural areas as measured by the average annual response time [section III.C.6.b.ii, pages 9 and 10].

Emergency services staff shall receive consistent training from the Department on the REACH crisis response system.

- 9.) Comply with State Board Policy 1044 (SYS) 12-1 Employment First [section III.C.7.b, p. 11]. This policy supports identifying community-based employment in integrated work settings as the first and priority service option offered by case managers and support coordinators to individuals receiving day support or employment services.
- 10.) CSB case managers shall liaison with the Department's regional community resource consultants in their regions [section III.E.1, p. 14].
- 11.) Case managers shall participate in discharge planning with individuals' personal support teams (PSTs) for individuals in training centers for whom the CSB is the case management CSB, pursuant to § 37.2-505 and § 37.2-837 of the Code of Virginia that requires the CSB to develop discharge plans in collaboration with training centers [section IV.B.6, p. 16].
- 12.) In developing discharge plans, CSB case managers, in collaboration with PSTs, shall provide to individuals and, where applicable, their authorized representatives, specific options for types of community placements, services, and supports based on the discharge plan and the opportunity to discuss and meaningfully consider these options [section IV.B.9, p. 17].
- 13.) CSB case managers and PSTs shall coordinate with specific types of community providers identified in discharge plans as providing appropriate community-based services for individuals to provide individuals, their families, and, where applicable, their authorized representatives with opportunities to speak with those providers, visit community placements (including, where feasible, for overnight visits) and programs, and facilitate conversations and meetings with individuals currently living in the community and their families before being asked to make choices regarding options [section IV.B.9.b, p. 17].
- 14.) CSB case managers and PSTs shall assist individuals and, where applicable, their authorized representatives in choosing providers after providing the opportunities described in subsection 13 above and ensure that providers are timely identified and engaged in preparing for individuals' transitions [section IV.B.9.c, p.17].
- 15.) Case managers shall provide information to the Department about barriers to discharge for aggregation and analysis by the Department for ongoing quality improvement, discharge planning, and development of community-based services [IV.B.14, p. 19].
- 16.) In coordination with the Department's Post Move Monitor, the CSB shall conduct post-move monitoring visits within 30, 60, and 90 days following an individual's movement from a training center to a community setting [section IV.C.3, p.19]. The CSB shall provide information obtained in these post move monitoring visits to the Department within seven business days after the visit.
- 17.) If it provides day support or residential services to individuals in the target population, the CSB shall implement risk management and quality improvement processes, including establishment of uniform risk triggers and thresholds that enable it to adequately address harms and risks of harms, including any physical injury, whether caused by abuse, neglect, or accidental causes [section V.C.1, p. 22].
- 18.) Using the protocol and real-time, web-based incident reporting system implemented by the Department, the CSB shall report any suspected or alleged incidents of abuse or

- a. **Allocations of State General and Federal Funds:** The Department shall inform the CSB of its state and federal fund allocations in a letter of notification. The Department may adjust allocation amounts during the term of this contract. The Department may reduce restricted or earmarked state or federal funds during the contract term if the CSB reduces significantly or stops providing services supported by those funds as documented in Community Consumer Submission (CCS) or CARS reports. These reductions shall not be subject to provisions in sections 9.c or 9.f of this contract. The Commissioner or his designee shall communicate all adjustments to the CSB in writing. Allocations of state and federal funds shall be based on state and federal statutory and regulatory requirements, provisions of the Appropriation Act, State Board policies, and previous allocation amounts.

  - c. **Conditions on the Use of Resources:** The Department can attach specific conditions or requirements for use of funds, separate from those established by other authorities, only to the state and federal funds that it allocates to the CSB and the 10 percent local matching funds that are required to obtain the CSB's state fund allocations.
6. **CSB Responsibilities**
- a. **State Hospital Bed Utilization:** In accordance with § 37.2-508 or § 37.2-608 of the Code of Virginia, the CSB shall develop jointly with the Department and with input from private providers involved with the public mental health, developmental, and substance abuse services system mechanisms, such as the Discharge Protocols, Extraordinary Barriers to Discharge lists, and regional utilization management procedures and practices, and employ these mechanisms collaboratively with state hospitals that serve it to manage the utilization of state hospital beds. Utilization will be measured by bed days received by individuals for whom the CSB is the case management CSB.

## FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT

The CSB shall implement procedures or utilize existing local or regional protocols to ensure appropriate management of each admission to a state hospital under a civil temporary detention order recommended by the CSB's preadmission screening clinicians to identify the cause of the admission and the actions the CSB may take in the future to identify alternative facilities. The CSB shall provide copies of the procedures and analyses to the Department upon request.

### b. Quality of Care

- 1.) **Department CSB Performance Measures:** CSB staff shall monitor the CSB's outcome and performance measures in Exhibit B, identify and implement actions to improve its ranking on any measure on which it is below the benchmark, and present reports on the measures and actions at least quarterly during scheduled meetings of the CSB board of directors.

The CSB shall develop, implement, and maintain, itself or in affiliation with other CSBs, a risk management plan or participate in a local government's risk management plan. The CSB shall work with the Department to identify how the CSB will address quality improvement activities.

The CSB shall implement, in collaboration with other CSBs in its region, the state hospitals and training centers serving its region, and private providers involved with the public mental health, developmental, and substance abuse services system, regional utilization management procedures and practices that reflect the Regional Utilization Management Guidance document that is incorporated into and made a part of this contract by reference and is available on the community contracting web page.

- 3.) **Critical Incidents:** The CSB shall implement procedures to insure that the executive director is informed of any deaths, serious injuries, or allegations of abuse or neglect when they are reported to the Department. The CSB shall provide a copy of its procedures to the Department upon request.
- 4.) **Individual Outcome and CSB Provider Performance Measures**

  - d.) **Strategic Prevention Framework (SPF):** The CSB, in partnership with local community coalitions, shall use the evidenced-based Strategic Prevention

## **FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT**

Framework (SPF) planning model to: complete a needs assessment using community, regional, and state data; build capacity to successfully implement prevention services; develop logic models and a strategic plan with measurable goals, objectives, and strategies; implement evidenced-based programs, practices, and strategies that are linked to data and target populations; evaluate program management and decision making for enabling the ability to reach outcomes; plan for the sustainability of prevention outcomes; and produce evidence of cultural competence throughout all aspects of the SPF process.

- e.) **Logic Models:** The logic models shall identify individual- (i.e., youth, families, and parents), community-, and population-level strategies (e.g. environmental approaches). One logic model shall outline CSB federal substance abuse block grant (SABG) prevention set aside-funded services. The other model(s) shall be the CSB partnership coalition's logic model(s) reflecting the collaborative relationship of the CSB with the coalition in the implementation of community-level and environmental approaches. The CSB shall use the Institute of Medicine model to identify target populations based on levels of risk – universal, selective, and indicated. Substance abuse prevention services may not be delivered to persons who have substance use disorders in an effort to prevent continued substance use. The CSB shall utilize the six CSAP evidenced-based strategies: information dissemination, education and skill building, alternatives, problem identification and referral, community-based process, and environmental approaches. Community-based process and coalitions and environmental approaches are keys to achieving successful outcomes and are Department priorities. CSBs shall use evidence-based prevention programs, practices, and strategies. Seventy-five percent of SABG prevention set aside-funded services shall be programs, practices, or strategies included in a federal list of evidence-based interventions. A minimum of 25 percent of SABG prevention set aside-funded services shall be the community-based process and coalition strategy and 25 percent shall be environmental strategies.
- f.) **Prevention Services Evaluations:** The CSB shall work with OMNI Institute, the Department's evaluation contractor, to develop an evaluation plan for its SABG prevention set aside-funded prevention services.
- g.) **SYNAR Activities and Merchant Education:** In July 1992, Congress enacted P.L. 102-321 section 1926, the SYNAR Amendment, to decrease youth access to tobacco. To stay in compliance with the SABG, states must meet and sustain the merchant retail violation rate (RVR) under 20 percent or face penalties to the entire SABG, including funds for treatment. Merchant education involves educating local merchants about the consequences of selling tobacco products to youth. This strategy has been effective in keeping state RVR rates under the required 20 percent. The CSB shall conduct merchant education activities with all merchants deemed by the Alcoholic Beverage Control Board to be in violation of selling tobacco products to youth in the CSB's service area. Other merchants shall be added if deemed to be at higher risk due to factors such as being in proximity to schools. The CSB, itself or in collaboration with the local coalition, shall continuously update the verified list of tobacco retailers, including all retailers selling vapor products, by conducting store audits. The CSB shall conduct store audits of and merchant education with 100 percent of tobacco retailers in its service area over a two year period. Beginning in FY 2003, the Department allocated \$10,000 annually to the CSB to complete SYNAR-related tasks. All store audit and merchant education activities shall be

- h.) Recovery Orientation:** The CSB shall implement a plan for assessing and increasing its recovery orientation over time in accordance with Section 5: Advancing the Vision of the Partnership Agreement and shall administer the Recovery Oriented Systems Indicators (ROSI) Consumer Survey (42 items) with a statistically valid sample of five percent or a minimum of 70, whichever is larger, of individuals with serious mental illness receiving mental health services from the CSB and the ROSI Provider Survey (23 item Administrative Profile) biennially and report on its recovery orientation to the Department by the last business day of March in odd-numbered years.
- 5.) Case Management Services Training:** The CSB shall ensure that all direct and contract staff that provide case management services have completed the case management curriculum developed by the Department and that all new staff complete it within 30 days of employment. The CSB shall ensure that developmental case managers complete the ISP training modules developed by the Department within 60 days of their availability on the Department's web site.
- 6.) Developmental Case Management Services Organization:** The CSB shall structure its developmental case management services so that it does not provide case management and DD Waiver services to the same individual to ensure the independence of services from case management and avoid perceptions of undue case management influence on service choices by individuals.
- 7.) Program and Service Reviews:** The Department may conduct or contract for reviews of programs or services provided or contracted by the CSB under this contract to examine their quality or performance at any time as part of its monitoring and review responsibilities or in response to concerns or issues that come to its attention, as permitted under 45 CFR § 164.512 (a), (d), and (k) (6) (ii) and as part of its health oversight functions under § 32.1-127.1:03 (D) (6) and § 37.2-508 or § 37.2-608 of the Code of Virginia or with a valid authorization by the individual receiving services or his authorized representative that complies with the Human Rights Regulations and the HIPAA Privacy Rule. The CSB shall provide ready access to any records or other information necessary for the Department to conduct program or service reviews or investigations of critical incidents.

The CSB shall acknowledge complaints that the Department refers to it within five business days of receipt and provide follow up commentary on them to the Department within 10 business days of receipt. The CSB shall post copies of its procedures in its public spaces and on its web site and provide copies to all individuals when they are admitted for services and provide a copy to the Department upon request.

**FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT**

- 9.) Access to Substance Abuse Treatment for Opioid Abuse:** The CSB shall ensure that individuals requesting treatment for opioid drug abuse, including prescription pain medications, regardless of the route of administration, receive rapid access to appropriate treatment services within 14 days of making the request for treatment or 120 days after making the request if the CSB has no capacity to admit the individual on the date of the request and within 48 hours of the request it makes interim services, as defined in 45 CFR § 96.126, available until the individual is admitted.

If any laws or regulations that become effective after the execution date of this contract substantially change the nature and conditions of this contract, they shall be binding upon the parties, but the parties retain the right to exercise any remedies available to them by law or other provisions of this contract.

The CSB shall comply with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the regulations promulgated thereunder by their compliance dates, except where the HIPAA requirements and applicable state law or regulations are contrary and state statutes or regulations are more stringent, as defined in 45 CFR § 160.202, than the related HIPAA requirements. - 3.) **Utilization Management:** The Department shall work with the CSB, state hospitals and training centers serving it, and private providers involved with the public mental health, developmental, and substance abuse services system to implement regional utilization management procedures and practices reflected in the Regional Utilization Management Guidance document that is incorporated into and made a part of this contract by reference.

### d. Reporting Requirements

- 1.) **Subsequent Reporting Requirements:** In accordance with State Board Policy 1037, the Department shall work with CSBs through the Virginia Association of Community Services Boards Data Management Committee (DMC) to ensure that current data and reporting requirements are consistent with each other and the current Core Services Taxonomy, the current Community Consumer Submission (CCS), and the Treatment Episode Data Set (TEDS) and other federal reporting requirements. The Department also shall work with CSBs through the DMC in planning and developing any additional reporting or documentation requirements beyond those identified in this contract to ensure that the requirements are consistent with the current taxonomy, the current CCS, and the TEDS and other federal reporting requirements.
- 2.) **Community Consumer Submission:** The Department shall collaborate with CSBs through the DMC in the implementation and modification of the current CCS, which reports individual characteristic and service data that is required under § 37.2-508 or § 37.2-608 of the Code of Virginia, the federal Substance Abuse and Mental Health Services Administration, and Part C of Title XIX of the Public Health Services Act - Block Grants, §1943 (a) (3) and § 1971 and § 1949, as amended by Public Law 106-310, to the Department and is defined in the current CCS Extract Specifications and Design Specifications, including the current Business Rules. The Department will receive and use individual characteristic and service data disclosed by the CSB through the CCS as permitted under 45 CFR §§ 164.506 (c) (1) and (3) and 164.512 (a) (1) of the HIPAA regulations and § 32.1-127.1:03.D (6) of the Code of Virginia and shall implement procedures to protect the confidentiality of this information pursuant to § 37.2-504 or § 37.2-605 of the Code of Virginia and HIPAA. - 4.) **Surveys:** The Department shall ensure that all surveys and requests for data have been reviewed for cost effectiveness and developed through a joint Department and CSB process. The Department shall comply with the Procedures for Approving CSB

**FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT**

Surveys, Questionnaires, and Data Collection Instruments and Establishing Reporting Requirements, reissued by Commissioner James Stewart on March 4, 2011.

- 5.) Streamlining Reporting Requirements:** The Department shall work with CSBs through the DMC to review existing reporting requirements including the current CCS to determine if they are still necessary and, if they are, to streamline and reduce the number of portals through which those reporting requirements are submitted as much as possible; to ensure reporting requirements are consistent with the current CCS Extract Specifications and Core Services Taxonomy; and to maximize the interoperability between Department and CSB data bases to support the electronic exchange of information and comprehensive data analysis.
- e. Compliance Requirements:** The Department shall comply with all applicable state and federal statutes and regulations, including those contained or referenced in the CSB Administrative Requirements, as they affect the operation of this contract. Any substantive change in the CSB Administrative Requirements, except changes in statutory, regulatory, policy, or other requirements or in other documents incorporated by reference in it, which changes are made in accordance with processes or procedures associated with those statutes, regulations, policies, or other requirements or documents, shall constitute an amendment of this contract, made in accordance with applicable provisions of the Partnership Agreement, that requires a new contract signature page signed by both parties. If any laws or regulations that become effective after the execution date of this contract substantially change the nature and conditions of this contract, they shall be binding upon the parties, but the parties retain the right to exercise any remedies available to them by law or other provisions of this contract.
- The Department and its state hospitals and training centers shall comply with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the regulations promulgated thereunder by their compliance dates, except where the HIPAA requirements and applicable state law or regulations are contrary and state statutes or regulations are more stringent, as defined in 45 CFR § 160.202, than the related HIPAA requirements. The Department and its state hospitals and training centers shall ensure that any sensitive data, including HIPAA-protected health information, personally identifiable information, and other confidential data, exchanged electronically with CSBs, other providers, or persons meets the requirements in the FIPS 140-2 standard and is encrypted using a method supported by the Department and CSB. The Department will use 256 bit encryption methods that are FIPS 140-2 compliant.
- f. Communication:** The Department shall provide technical assistance and written notification to the CSB regarding changes in funding source requirements, such as regulations, policies, procedures, and interpretations, to the extent that those changes are known to the Department. The Department shall resolve, to the extent practicable, inconsistencies in state agency requirements that affect requirements in this contract. The Department shall provide any information requested by the CSB that is related to performance of or compliance with this contract in a timely manner, considering the type, amount, and availability of the information requested. The Department shall issue new or revised policy, procedure, and guidance documents affecting CSBs via letters, memoranda, or emails from the Commissioner, Deputy Commissioner, or applicable Assistant Commissioner to CSB executive directors and other applicable CSB staff and post these documents in an easily accessible place on its web site within 10 business days of the date on which the documents are issued via letters, memoranda, or emails.

## FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT

- g. Regional Programs:** The Department may conduct utilization review or management activities involving services provided by the CSB through a regional program. If such activities involve the disclosure of protected health information, personally identifiable information, or other information, the information may be used and disclosed as permitted under 45 CFR §§ 164.506 (c) (1) and (3) and 164.512 (k) (6) (ii) ) of the HIPAA regulations and §32.1-127.1:03.D (6) of the Code of Virginia. If the CSB's receipt of state funds as the fiscal agent for a regional program, as defined in the Regional Program Principles and the Regional Program Procedures in Appendices E and F of the current Core Services Taxonomy, including regional DAP, acute inpatient care (LIPOS), or state facility reinvestment project funds, causes it to be out of compliance with the 10 percent local matching funds requirement in § 37.2-509 of the Code of Virginia, the Department shall grant an automatic waiver of that requirement related to the funds for that regional program allocated to the other participating CSBs as authorized by that Code section and State Board Policy 4010.
  - h. Peer Review Process:** The Department shall implement a process in collaboration with volunteer CSBs to ensure that at least five percent of community mental health and substance abuse programs receive independent peer reviews annually, per federal requirements and guidelines, to review the quality and appropriateness of services. The Department shall manage this process to ensure that peer reviewers do not monitor their own programs.
  - i. Electronic Health Record:** The Department shall implement and maintain an electronic health record in its central office and state hospitals and training centers that has been fully certified and is listed by the Office of the National Coordinator for Health Information Technology - Authorized Testing and Certification Body to improve the quality and accessibility of services, streamline and reduce duplicate reporting and documentation requirements, obtain reimbursement for services, and exchange data with CSBs.
  - j. Reviews:** The Department shall review and take appropriate action on audits submitted by the CSB in accordance with the provisions of this contract and the CSB Administrative Requirements. The Department may conduct a periodic, comprehensive administrative and programmatic review of the CSB to evaluate the CSB's compliance with requirements in the contract and CSB Administrative Requirements and the CSB's performance. The Department shall present a report of the review to the CSB and monitor the CSB's implementation of any recommendations in the report.
  - k. Department Comments or Recommendations on CSB Operations or Performance:** The Commissioner of the Department may communicate significant issues or concerns about the operations or performance of the CSB to the executive director and CSB board members for their consideration, and the Department agrees to collaborate as appropriate with the executive director and CSB board members as they respond formally to the Department about these issues or concerns.
- 8. Subcontracting:** The CSB may subcontract any requirements in this contract. The CSB shall remain fully and solely responsible and accountable for meeting all of its obligations and duties under this contract, including all services, terms, and conditions, without regard to its subcontracting arrangements. Subcontracting shall comply with applicable statutes, regulations, and guidelines, including the Virginia Public Procurement Act. All subcontracted activities shall be formalized in written contracts between the CSB and subcontractors. The CSB agrees to provide copies of contracts or other documents to the Department on request.

## FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT

A subcontract means a written agreement between the CSB and another party under which the other party performs any of the CSB's obligations. Subcontracts, unless the context or situation supports a different interpretation or meaning, also may include agreements, memoranda of understanding, purchase orders, contracts, or other similar documents for the purchase of services or goods by the CSB from another organization or agency or a person on behalf of an individual. If the CSB hires an individual not as an employee but as a contractor (e.g., a part-time psychiatrist) to work in its programs, this does not constitute subcontracting under this section. CSB payments for rent or room and board in a non-licensed facility (e.g., rent subsidies or a hotel room) do not constitute subcontracting under this section, and the provisions of this section, except for compliance with the Human Rights regulations, do not apply to the purchase of a service for one individual.

- a. **Subcontracts:** The written subcontract shall, as applicable and at a minimum, state the activities to be performed, the time schedule and duration, the policies and requirements, including data reporting, applicable to the subcontractor, the maximum amount of money for which the CSB may become obligated, and the manner in which the subcontractor will be compensated, including payment time frames. Subcontracts shall not contain provisions that require a subcontractor to make payments or contributions to the CSB as a condition of doing business with the CSB.
- b. **Subcontractor Compliance:** The CSB shall require that its subcontractors comply with the requirements of all applicable federal and state statutes, regulations, policies, and reporting requirements that affect or are applicable to the services included in this contract. The CSB shall require that its subcontractors submit to the CSB all required CCS 3 data on individuals they served and services they delivered in the applicable format so that the CSB can include this data in its CCS 3 submissions to the Department. The CSB shall require that any agency, organization, or person with which it intends to subcontract services that are included in this contract is fully qualified and possesses and maintains current all necessary licenses or certifications from the Department and other applicable regulatory entities before it enters into the subcontract and places individuals in the subcontracted service. The CSB shall require all subcontractors that provide services to individuals and are licensed by the Department to maintain compliance with the Human Rights Regulations adopted by the State Board.

The CSB shall, to the greatest extent practicable, require all other subcontractors that provide services purchased by the CSB for individuals and are not licensed by the Department to develop and implement policies and procedures that comply with the CSB's human rights policies and procedures or to allow the CSB to handle allegations of human rights violations on behalf of individuals served by the CSB who are receiving services from such subcontractors. When it funds providers such as family members, neighbors, individuals receiving services, or others to serve individuals, the CSB may comply with these requirements on behalf of those providers, if both parties agree.

- c. **Subcontractor Dispute Resolution:** The CSB shall include contract dispute resolution procedures in its contracts with subcontractors.
- d. **Quality Improvement Activities:** The CSB shall, to the extent practicable, incorporate specific language in its subcontracts regarding the quality improvement activities of subcontractors. Each vendor that subcontracts with the CSB should have its own quality improvement system in place or participate in the CSB's quality improvement program.

## FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT

- b. **Compliance:** The Department may utilize a variety of remedies, including requiring a corrective action plan, delaying payments, reducing allocations or payments, and terminating the contract, to assure CSB compliance with this contract. Specific remedies, described in Exhibit I of this contract, may be taken if the CSB fails to satisfy the reporting requirements in this contract.
- c. **Disputes:** Resolution of disputes arising from Department contract compliance review and performance management efforts or from actions by the CSB related to this contract may be pursued through the dispute resolution process in section 9.f, which may be used to appeal only the following conditions:
  - 1.) reduction or withdrawal of state general or federal funds, unless funds for this activity are withdrawn by action of the General Assembly or federal government or by adjustment of allocations or payments pursuant to section 5 of this contract;
  - 2.) termination or suspension of the contract, unless funding is no longer available;
  - 3.) refusal to negotiate or execute a contract modification;
  - 4.) disputes arising over interpretation or precedence of terms, conditions, or scope of the contract; or
  - 5.) determination that an expenditure is not allowable under this contract.
- d. **Termination**
  - 1.) The Department may terminate this contract immediately, in whole or in part, at any time during the contract period if funds for this activity are withdrawn or not appropriated by the General Assembly or are not provided by the federal government. In this situation, the obligations of the Department and the CSB under this contract shall cease immediately. The CSB and Department shall make all reasonable efforts to ameliorate any negative consequences or effects of contract termination on individuals receiving services and CSB staff.
  - 2.) The CSB may terminate this contract immediately, in whole or in part, at any time during the contract period if funds for this activity are withdrawn or not appropriated by its local government(s) or other funding sources. In this situation, the obligations of the CSB and the Department under this contract shall cease immediately. The CSB and Department shall make all reasonable efforts to ameliorate any negative consequences or effects of contract termination on individuals receiving services and CSB staff.
  - 3.) In accordance with § 37.2-508 or § 37.2-608 of the Code of Virginia, the Department may terminate all or a portion of this contract, after unsuccessful use of the remediation process described in section 9.e and after affording the CSB an adequate opportunity to use the dispute resolution process described in section 9.f of this contract. A written notice specifying the cause shall be delivered to the CSB's board chairperson and executive director at least 75 days prior to the date of actual termination of the contract. In the event of contract termination under these circumstances, only payment for allowable services rendered by the CSB shall be made by the Department.

## FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT

- e. **Remediation Process:** The remediation process mentioned in § 37.2-508 or § 37.2-608 of the Code of Virginia is an informal procedure that shall be used by the Department and the CSB to address a particular situation or condition identified by the Department or the CSB that may, if unresolved, result in termination of the contract, in whole or in part, in accordance with the provisions of section 9.d of this contract. The details of this remediation process shall be developed by the parties and added as an exhibit of this contract. This exhibit shall describe the situation or condition and include the performance measures that shall document a satisfactory resolution of the situation or condition.
- f. **Dispute Resolution Process:** Disputes arising from any of the conditions in section 9.c of this contract shall be resolved using the following process.
- 1.) Within 15 days of the CSB's identification or receipt of a disputable action taken by the Department or of the Department's identification or receipt of a disputable action taken by the CSB, the party seeking resolution of the dispute shall submit a written notice to the Department's Director of Community Contracting, stating its desire to use the dispute resolution process. The written notice must describe the condition, nature, and details of the dispute and the relief sought by the party.
  - 2.) The Director of Community Contracting shall review the written notice and determine if the dispute falls within the conditions listed in section 9.c. If it does not, the Director of Community Contracting shall notify the party in writing within seven days of receipt of the written notice that the dispute is not subject to this dispute resolution process. The party may appeal this determination to the Commissioner in writing within seven days of its receipt of the Director's written notification.
  - 3.) If the dispute falls within the conditions listed in section 9.c, the Director of Community Contracting shall notify the party within seven days of receipt of the written notice that a panel will be appointed within 15 days to conduct an administrative hearing.
  - 4.) Within 15 days of notification to the party, a panel of three or five disinterested persons shall be appointed to hear the dispute. The CSB shall appoint one or two members; the Commissioner shall appoint one or two members; and the appointed members shall appoint the third or fifth member. Each panel member will be informed of the nature of the dispute and be required to sign a statement indicating that he has no interest in the dispute. Any person with an interest in the dispute shall be relieved of panel responsibilities and another person shall be selected as a panel member.
  - 5.) The Director of Community Contracting will contact the parties by telephone and arrange for a panel hearing at a mutually convenient time, date, and place. The panel hearing shall be scheduled not more than 15 days after the appointment of panel members. Confirmation of the time, date, and place of the hearing will be communicated to all parties at least seven days in advance of the hearing.
  - 6.) The panel members shall elect a chairman and the chairman shall convene the panel. The party requesting the panel hearing shall present evidence first, followed by the presentation of the other party. The burden shall be on the party requesting the panel hearing to establish that the disputed decision or action was incorrect and to present the basis in law, regulation, or policy for its assertion. The panel may hear rebuttal evidence after the initial presentations by the CSB and the Department. The panel may question either party in order to obtain a clear understanding of the facts.
  - 7.) Subject to provisions of the Freedom of Information Act, the panel shall convene in closed session at the end of the hearing and shall issue written recommended findings of

**FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT**

- 8.) The findings of fact shall be final and conclusive and shall not be set aside by the Commissioner unless they are (1) fraudulent, arbitrary, or capricious; (2) so grossly erroneous as to imply bad faith; (3) in the case of termination of the contract due to failure to perform, the criteria for performance measurement are found to be erroneous, arbitrary, or capricious; or (4) not within the CSB's purview.
  - 9.) The final decision shall be sent by certified mail to both parties no later than 60 days after receipt of the written notice from the party invoking the dispute resolution process.
  - 10.) Multiple appeal notices shall be handled independently and sequentially so that an initial appeal will not be delayed by a second appeal.
  - 11.) The CSB or the Department may seek judicial review of the final decision to terminate or suspend the contract in the Circuit Court for the City of Richmond within 30 days of receipt of the final decision.

The services identified in Exhibit A of this contract may be revised in accordance with the performance contract revision instructions contained in Exhibit E of this contract. Other provisions of this contract may be amended only by mutual agreement of the parties, in writing and signed by the parties hereto.
- h. Liability:** The CSB shall defend or compromise, as appropriate, all claims, suits, actions, or proceedings arising from its performance of this contract. The CSB shall obtain and maintain sufficient liability insurance to cover claims for bodily injury and property damage and suitable administrative or directors and officers liability insurance. The CSB may discharge these responsibilities by means of a proper and sufficient self-insurance program operated by the state or a city or county government. The CSB shall provide a copy of any policy or program to the Department upon request. This contract is not intended to and does not create by implication or otherwise any basis for any claim or cause of action by a person or entity not a party to this contract arising out of any claimed violation of any provision of this contract, nor does it create any claim or right on behalf of any person to services or benefits from the CSB or the Department.
- i. Constitution of the CSB:** The resolutions or ordinances currently in effect that were enacted by the governing body or bodies of the local government or governments to establish the CSB are consistent with applicable statutory requirements in §§ 37.2-500, 37.2-501, and 37.2-502 or §§ 37.2-601, 37.2-602, and 37.2-603 of the Code of Virginia and accurately reflect the current purpose, roles and responsibilities, local government membership, number and type of CSB board member appointments from each locality, the CSB's relationship with its local government or governments, and the name of the CSB.
- j. Severability:** Each paragraph and provision of this contract is severable from the entire contract, and the remaining provisions shall nevertheless remain in full force and effect if any provision is declared invalid or unenforceable.

## **FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT**

### **Exhibit B: Continuous Quality Improvement (CQI) Process and CSB Performance Measures**

The Department shall continue to work with CSBs to achieve a welcoming, recovery-oriented, integrated services system, a transformed system for individuals receiving services and their families in which CSBs, state facilities, programs, and services staff, in collaboration with individuals and their families, are becoming more welcoming, recovery-oriented, and co-occurring disorder capable. The process for achieving this goal within limited resources is to build a system-wide CQI process in a partnership among CSBs, the Department, and other stakeholders in which there is a consistent shared vision combined with a measurable and achievable implementation process for each CSB to make progress toward this vision. Appendix E in the CSB Administrative Requirements provides further clarification for those implementation activities, so that each CSB can be successful in designing a performance improvement process at the local level.

Pursuant to Section 7: Accountability in the Community Services Performance Contract Partnership Agreement, the CSB provides the affirmations in Appendix E of the CSB Administrative Requirements of its compliance with the performance expectations and goals in that appendix. If the CSB cannot provide a particular affirmation, it shall attach an explanation to this exhibit with a plan for complying with the identified expectation or goal, including specific actions and target dates. The Department will review this plan and negotiate any changes with the CSB, whereupon, it will be part of this exhibit.

#### **I. Exhibit B Performance Measures**

The CSB agrees to monitor and collect data on the following Exhibit B performance measures and to report measures I.D and E using the Exhibit B Quarterly Performance Measures Report.

- A. The CSB agrees to monitor the percentage of individuals for whom the CSB is the identified case management CSB who keep a face-to-face (non-emergency) outpatient service visit within seven calendar days after having been discharged from a private psychiatric hospital or psychiatric unit in a public or private hospital following involvement in the civil involuntary admission process. This includes all individuals referred to the CSB upon discharge from a private psychiatric hospital or psychiatric unit in a public or private hospital who were under a temporary detention or an involuntary commitment order or who were admitted voluntarily from a commitment hearing. The Department agrees to monitor this measure for discharges from state hospitals through comparing AVATAR data on individuals discharged from state hospitals to the CSB with CCS data about their dates of mental health services after discharge from the state hospital. The Department agrees to monitor this measure for discharges from private hospitals through comparing CCS 3 data on individuals receiving inpatient services funded by the CSB and the next date on which those individuals received outpatient services after the end date for the inpatient services.
- B. The CSB agrees to monitor the percentage of adults (age 18 or older) in the Department of Justice Settlement Agreement population receiving case management services from the CSB whose case managers discussed integrated, community-based employment with them during their annual case management individual supports plan (ISP) meetings or updates. The Department agrees to monitor this measure through using CCS data and work with the CSB to increase this percentage. Refer to State Board Policy (SYS) 1044 Employment First for additional information and guidance. Integrated, community-based employment does not include sheltered employment.
- C. The CSB agrees to monitor the percentage of adults (age 18 or older) in the Department of Justice Settlement Agreement population receiving case management services from the CSB whose ISPs, developed or updated at the annual ISP meeting or update, included

## **FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT**

employment-related or employment-readiness goals. The Department agrees to monitor this measure through using CCS data and work with the CSB to increase this percentage. Employment-related or employment-readiness goals do not include sheltered employment or prevocational services.

- D. The CSB agrees to monitor and report in the quarterly Exhibit B Report the percentage of individuals in the Department of Justice (DOJ) Settlement Agreement population receiving case management services from the CSB whose case managers discussed community engagement opportunities with them during their most recent annual case management individual support plan (ISP) meeting or update. Community engagement is a DD Waiver service that supports and fosters the ability of an individual to acquire, retain, or improve skills necessary to build positive social behavior, interpersonal competence, greater independence, employability, and personal choice necessary to access typical activities and functions of community life such as those chosen by the general population; it does not include community opportunities with more than three individuals with disabilities.
- E. The CSB agrees to monitor and report in the quarterly Exhibit B Report the percentage of individuals in DOJ Settlement Agreement population receiving case management services from the CSB whose individual support plans (ISPs), developed or updated at the annual ISP meeting or update, contained community engagement goals.

### **II. Data Quality Feedback**

The Department shall provide regular reports to the CSB on the completeness and validity of its CCS 3 individual and service data to improve data quality and integrity. When requested by the Department, the CSB executive director shall develop and submit a plan of correction to remedy persistent deficiencies in the CSB's CCS 3 submissions (e.g., a persistent fatal error rate of more than 10 percent of its CCS consumer records) and, upon approval of the Department, shall implement the plan of correction. Persistent deficiencies that are not resolved through this process shall be addressed with an Individual CSB Performance Measure in Exhibit D. If the CSB fails to satisfy requirements in the Exhibit D by the end of the contract term, the Department may impose a one-time, one percent reduction not to exceed \$15,000 of state funds apportioned for CSB administrative expenses on the CSB. See Exhibit I for more information.

**III. CSB Performance Measures:** The CSB and Department agree to use the CSB Performance Measures, developed by the Department in collaboration with the VACSB Data Management and Quality Assurance Committees and available on the Department's web site at [www.dbbds.virginia.gov](http://www.dbbds.virginia.gov), to monitor outcome and performance measures for CSBs and improve the CSB's performance on measures where the CSB falls below the benchmark. ## **FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT**

### **Exhibit C: Discharge Assistance Program (DAP) Requirements**

The Department and the CSB agree to implement the following requirements for management and utilization of all current regional state DAP funds to enhance monitoring of and financial accountability for DAP funding, decrease the number of individuals on state hospital extraordinary barriers to discharge lists (EBLs), and return the greatest number of individuals with long lengths of state hospital stays to their communities. These Exhibit C requirements do not apply to new state 2014 DAP funds, which the Department allocates for individualized discharge assistance program plans (IDAPPs) that it approves.

1. The Department shall work with the VACSB, representative CSBs, and regional managers to develop clear and consistent criteria for identification of individuals who would be eligible for IDAPPs and acceptable uses of regional state DAP funds and standard terminology that all CSBs and regions shall use for collecting and reporting data about individuals, services, funds, expenditures, and costs.
2. The CSB shall comply with the current Discharge Assistance Program Manual issued by the Department, which is incorporated into and made a part of this contract by reference. If there are conflicts or inconsistencies between the Manual and this contract, applicable provisions of the contract shall control.
3. All regional state DAP funds allocated within the region shall be managed by the regional management group (RMG) and the regional utilization management and consultation team (RUMCT) on which the CSB participates in accordance with Appendices E and F of Core Services Taxonomy 7.2.
4. The CSB, through the RMG and RUMCT on which it participates, shall ensure that other funds such as Medicaid payments are used to offset the costs of approved IDAPPs to the greatest extent possible so that regional state DAP funds can be used to implement additional IDAPPs to reduce EBLs.
5. On behalf of the CSBs in the region, the regional manager funded by the Department and employed by a participating CSB shall submit mid-year and end of the fiscal year reports to the Department in a format developed by the Department in consultation with regional managers that separately displays the total actual year-to-date expenditures of regional state DAP funds for ongoing IDAPPs and for one-time IDAPPs and the amounts of obligated but unspent regional state DAP funds.
6. The CSB and state hospital representatives on the RMG on which the CSB participates shall have authority to reallocate regional state DAP funds among CSBs from CSBs that cannot use them in a reasonable time to CSBs that need additional regional state DAP funds to implement more IDAPPs to reduce EBLs.
7. If CSBs in the region cannot expend at least 90 percent and obligate at least 95 percent of the total annual regional state DAP fund allocations on a regional basis by the end of the fiscal year, the Department may work with the RMG and participating CSBs to transfer regional state DAP funds to other regions to reduce EBLs to the greatest extent possible, unless the CSBs through the regional manager provide acceptable explanations for greater amounts of unexpended or unobligated regional state DAP funds.
8. On behalf of the CSBs in a region, the regional manager shall continue submitting the quarterly summary of IDAPPs to the Department in a format developed by the Department in consultation with regional managers that displays year-to-date information about ongoing and one-time IDAPPs, including data about each individual receiving DAP services, the amounts of regional state DAP funds approved for each IDAPP, the total number of IDAPPs that have been implemented, and the projected total net regional state DAP funds obligated for these IDAPPs.
9. The Department, pursuant to sections 6.f and 7.g of this contract, may conduct utilization reviews of the CSB or region at any time to confirm the effective utilization of regional state DAP funds and the implementation of all approved ongoing and one-time IDAPPs.

## **FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT**

### **Exhibit E: Performance Contract Process**

**05-06-16:** The Department distributes the FY 2017 and FY 2018 Performance Contract by this date electronically. An Exhibit D may list performance measures that have been negotiated with a CSB to be included in the contract. The Department's Information Services and Technology (IS&T) office distributes the FY 2017 and FY 2018 Community Services Performance Contract package software in the Community Automated Reporting System (CARS) to CSBs. The Department distributes the FY 2017 Letters of Notification to CSBs by this date electronically with enclosures that show tentative allocations of state and federal block grant funds.

**06-24-16:** Exhibit A and other parts of the FY 2017 and FY 2018 Community Services Performance Contract, submitted electronically in CARS, are due in the IS&T by this date. Tables 1 and 2 of the Performance Contract Supplement (also in CARS) shall be submitted with the contract. While a paper copy of the entire contract is not submitted, paper copies of the following completed pages with signatures where required are due in the Office of Support Services (OSS) by this date: signature pages of the contract body and Exhibit B, Exhibit D if applicable, Exhibit F (two pages), and Exhibit G. Contracts shall conform to Letter of Notification allocations of state and federal funds or amounts subsequently revised by or negotiated with the OSS and confirmed in writing and shall contain actual appropriated amounts of local matching funds. If the CSB cannot include the minimum 10 percent local matching funds in the contract, it shall submit a written request for a waiver of the matching funds requirement, pursuant to § 37.2-509 of the Code of Virginia and State Board Policy 4010, to the OSS with its contract. This requirement also applies to end of the fiscal year performance contract reports if the reports reflect less than the minimum 10 percent local matching funds.

During June and July, CSB Financial Analysts in the Department's Office of Fiscal and Grants Management (OFGM) prepare electronic data interchange (EDI) transfers for the first two semi-monthly payments (July) of state and federal funds for all CSBs and send the transfers to the Department of Accounts.

**07-11-16:** The IS&T distributes FY 2016 end of the fiscal year performance contract report software in CARS.

**07-29-16:** CSBs submit their Community Consumer Submission (CCS) consumer, type of care, and service extract files for June to the IS&T in time to be received by this date.

CSB Financial Analysts prepare EDI transfers for payments 3 and 4 (August) of state and federal funds and send the transfers to the Department of Accounts.

During August and September, CSB Financial Analysts prepare EDI transfers for payments 5 and 6 (September) of state and federal funds for CSBs whose contracts were received and determined to be complete by 08-12-16 and, after the OSS Community Contracting Director authorizes their release, send the transfers to the Department of Accounts. Payments shall not be released without complete contracts, as defined in Exhibit E and item 1 of Exhibit I. For a CSB whose contract is received after this date, EDI transfers for these two semi-monthly payments will be processed when the contract is complete and funds will be disbursed with the next scheduled payment.

## **FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT**

**08-19-16:** Department staff complete reviews by this date of contracts received by the due date that are complete and acceptable. Contracts received after the due date shall be processed in the order in which they are received.

1. The OFGM analyzes the revenue information in the contract for conformity to Letter of Notification allocations and advises the CSB to revise and resubmit financial forms in Exhibit A of its contract if necessary.
2. The Offices of Mental Health and Substance Abuse, Child and Family, and Developmental Services review and approve new service proposals and consider program issues related to existing services based on Exhibit A.
3. The OSS assesses contract completeness, examines maintenance of local matching funds, integrates new service information, makes corrections and changes on the service forms in Exhibit A, negotiates changes in Exhibit A, and finalizes the contract for signature by the Commissioner. The OSS Community Contracting Director notifies the CSB when its contract is not complete or has not been approved and advises the CSB to revise and resubmit its contract.
4. The IS&T receives CARS and CCS submissions from CSBs, maintains the community services database, and processes signed contracts into that database as they are received from the OSS.

**08-19-16:** CSBs submit their complete CCS reports for total (annual) FY 2016 CCS service unit data to the IS&T in time to be received by this date. This later date for final CCS service unit data allows for the inclusion of all units of services delivered in that fiscal year that might not be in local information systems in July.

**08-31-16:** CSBs submit their CCS monthly consumer, type of care, and service extract files for July to the IT&S in time to be received by this date.

**08-31-16:** CSBs send complete FY 2016 end of the fiscal year performance contract reports electronically in CARS to the IS&T in time to be received by this date.

IS&T staff places the reports in a temporary data base for OSS and OFGM staff to access them. The OSS Community Contracting Director reviews services sections of the reports for correctness, completeness, consistency, and acceptability; resolves discrepancies with CSBs; and communicates necessary changes to CSBs. OFGM CSB Financial Analysts review financial portions of reports for arithmetic accuracy, completeness, consistency, and conformity with state funding actions; resolve discrepancies with CSBs; and communicate necessary changes to CSBs.

Once they complete their reviews of a CSB's reports, the OSS Community Contracting Director and OFGM CSB Financial Analysts notify the CSB to submit new reports reflecting only those approved changes to IS&T. CSBs submit new reports to correct errors or inaccuracies no later than **09-16-2016**. The Department will not accept CARS report corrections after this date. Upon receipt, the process described above is repeated to ensure the new reports contain only those changes identified by OFGM and OSS staff. If the reviews document this, OSS and OFGM staff approves the reports, and IS&T staff processes final report data into the Department's community services database.

Late report submission or submitting a report without correcting errors identified by the CARS error checking program may result in the imposition by the Department of a one-time, one percent reduction not to exceed \$15,000 of state funds apportioned for CSB administrative expenses. See Exhibit I for additional information.

**FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT**

**08-31-16:** CSBs submit their 4<sup>th</sup> quarter FY 2016 Exhibit B Quarterly Performance Measures Reports to the OCC in time to be received by this date.

**08-31-16:** After the Commissioner signs it, the OSS sends a copy of the approved contract Exhibit A to the CSB with the signature page containing the Commissioner's signature. The CSB shall review this Exhibit A, which reflects all changes negotiated by Department staff; complete the signature page, which documents its acceptance of these changes; and return the completed signature page to the OSS Community Contracting Director.

During September and October, CSB Financial Analysts prepare EDI transfers for payments 7 and 8 (October) and, after the OSS Community Contracting Director authorizes their release, send the transfers to the Department of Accounts for payment 7 for CSBs with signed contracts that submitted their final FY 2016 CCS consumer, type of care, and service extract files by the due date and whose FY 2016 end of the fiscal year CARS reports and 4<sup>th</sup> quarter FY 2016 Exhibit B Quarterly Performance Measures Reports were received in the Department by the due date. Payments 7 and 8 shall not be released without a contract signed by the Commissioner and receipt of those CCS extract files, complete CARS reports as defined in item 2.a. of Exhibit I, and Exhibit B Reports.

**09-30-16:** CSBs submit their CCS monthly consumer, type of care, and service extract files for August to the IT&S in time to be received by this date.

**10-31-16:** CSBs submit CCS monthly consumer, type of care, and service extract files for September to the IT&S and their 1<sup>st</sup> quarter Exhibit B Quarterly Performance Measures Reports to the OSS in time to be received by this date.

During November and December, CSB Financial Analysts prepare EDI transfers for payments 11 and 12 (December), and, after the OSS Community Contracting Director authorizes their release, send the transfers to the Department of Accounts. Payments shall not be released without receipt of September CCS submissions and 1<sup>st</sup> quarter Exhibit B Quarterly Performance Measures Reports.

**11-30-16:** CSBs submit their CCS monthly consumer, type of care, and service extract files for October to the IT&S in time to be received by this date.

**12-01-16:** A. CSBs that are not local government departments or included in local government audits send one copy of the audit report for the preceding fiscal year on all CSB operated programs to the Department's Office of Budget and Financial Reporting (OBFR) by this date. A management letter and plan of correction for deficiencies must be sent with this report. CSBs submit a copy of C.P.A. audit reports for all contract programs for their last full fiscal year, ending on June 30, to the OBFR by this date. For programs with different fiscal years, reports are due three months after the

## **FY 2017 AND FY 2018 COMMUNITY SERVICES PERFORMANCE CONTRACT**

end of the year. Management letters and plans of correction for deficiencies must be included with these reports.

- B.** Audit reports for CSBs that are local government departments or are included in local government audits are submitted to the Auditor of Public Accounts by the local government. Under a separate cover, the CSB must forward a plan of correction for any audit deficiencies that are related to or affect the CSB to the OBFR by this date. Also, to satisfy federal block grant sub-recipient monitoring requirements imposed on the Department under the Single Audit Act, a CSB that is a local government department or is included in its local government audit shall contract with the same CPA audit firm that audits its locality to perform testing related to the federal Mental Health Services and Substance Abuse Prevention and Treatment Block Grants. Alternately, the local government's internal audit department can work with the CSB and the Department to provide the necessary sub-recipient monitoring information.

If the CSB receives an audit identifying material deficiencies or containing a disclaimer or prepares the plan of correction referenced in the preceding paragraph, the CSB and the Department shall negotiate an Exhibit D that addresses the deficiencies or disclaimer and includes a proposed plan with specific timeframes to address them, and this Exhibit D and the proposed plan shall become part of this contract.

During December CSB Financial Analysts prepare EDI transfers for payment 13 (1<sup>st</sup> January), and, after the OSS Community Contracting Director authorizes their release, send the transfers to the Department of Accounts for CSBs whose FY 2016 end of the fiscal year performance contract reports have been verified as accurate and internally consistent, per items 2.b. through d. of Exhibit I, and whose CCS monthly extracts for October have been received. Payments shall not be released without verified reports and CCS submissions for October.

**02-16-17:** CSBs send complete mid-year performance contract reports and a revised Table 1 in Exhibit H to the IS&T electronically in CARS within 45 calendar days after the end of the second quarter in time to be received by this date. IT&S staff places the reports on a shared drive for OSS and OFGM staff to access them. The offices review and act on the reports using the process described for the end of the fiscal year reports. When reports are acceptable, IS&T staff processes the data into the community services data base.

### **Exhibit I: Administrative Performance Standards**

The CSB shall meet these administrative performance standards in submitting its performance contract, contract revisions, semi-annual performance contract reports in the Community Automated Reporting System (CARS), and monthly Community Consumer Submission (CCS) extracts to the Department.

1. The performance contract and any revisions submitted by the CSB shall be:
  - a. complete, that is all required information is displayed in the correct places and all required Exhibits, including applicable signature pages, are included;
  - b. consistent with Letter of Notification allocations or figures subsequently revised by or negotiated with the Department;
  - c. prepared in accordance with instructions in the Department-provided CARS software and any subsequent instructional memoranda; and
  - d. received by the due dates listed in Exhibit E of this contract.

If these performance contract standards are not met, the Department may delay future semi-monthly payments until satisfactory performance is achieved.

2. Semi-annual performance contract reports submitted by the CSB shall be:
  - a. complete, that is all required information is displayed in the correct places, all required data are included in the electronic CARS application reports, and any required paper forms that gather information not included in CARS are submitted;
  - b. consistent with the state and federal block grant funds allocations in the Letter of Notification or figures subsequently revised by or negotiated with the Department;

  - e. received by the due dates listed in Exhibit E of this contract.

If the CSB does not meet these standards for its semi-annual CARS reports, the Department may delay future semi-monthly payments until satisfactory performance is achieved. The Department may impose one-time reductions of state funds apportioned for CSB administrative expenses<sup>1</sup> on a CSB for its failure to meet the following standards in its end of the fiscal year CARS report:

- o a one percent reduction not to exceed \$15,000 for failure to comply with standard 2.d; and

3. contract, the Department may delay semi-monthly payments until satisfactory performance is achieved.

4. If the Department negotiates an Exhibit D with a CSB because of unacceptable data quality, and the CSB fails to satisfy the requirements in Exhibit D by the end of the contract term, the Department may impose a one-time one percent reduction not to exceed a total of \$15,000 of state funds apportioned for CSB administrative expenses<sup>1</sup> on the CSB.
5. Substance abuse prevention units of service data and quarterly reports shall be submitted to the Department through the Social Solutions Efforts to Outcome (ETO) Prevention Data System.

<sup>1</sup> The Department will calculate state funds apportioned for CSB administrative expenses by multiplying the total state funds allocated to the CSB by the CSB's administrative percentage displayed on page AF-1 of the contract.

The CSB shall not allocate or transfer a one-time reduction of state funds apportioned for administrative expenses to direct service or program costs.

### **Process for Obtaining an Extension of the End of the Fiscal Year CARS Report Due Date**

The Department will grant an extension only in very exceptional situations such as a catastrophic information system failure, a key staff person's unanticipated illness or accident, or a local emergency or disaster situation that makes it impossible to meet the due date.

1. It is the responsibility of the CSB to obtain and confirm the Department's approval of an extension of the due date within the time frames specified below. Failure of the CSB to fulfill this responsibility constitutes prima facie acceptance by the CSB of any resulting one-time reduction in state funds apportioned for administrative expenses.
2. As soon as CSB staff becomes aware that it cannot submit the end of the year CARS report in time to be received in the Department by 5:00 p.m. on the due date, the executive director must inform the Office of Support Services (OSS) Director or Community Contracting Director that it is requesting an extension of this due date. This request should be submitted as soon as possible and it shall be in writing, describe completely the reason(s) and need for the extension, and state the date on which the report will be received by the Department.
3. The written request for an extension must be received in the OSS no later than 5:00 p.m. on the fourth business day before the due date. A facsimile transmission of the request to the OSS fax number (804-371-0092), received by that time and date, is acceptable if receipt of the transmission is confirmed with a return facsimile memo from the OSS no later than 5:00 p.m. on the third business day before the due date. Telephone extension requests are not acceptable and will not be processed.
4. The OSS will act on all requests for due date extensions that are received in accordance with this process and will notify the requesting CSBs by facsimile transmission of the status of their requests by 5:00 p.m. on the second business day before the due date.

candidates and acting or interim executive directors. The CSB or BHA shall provide a current position description and salary and the advertisement for the position to the OSS for review and approval prior to advertising the position. The CSB or BHA board of directors shall invite OSS staff to meet with it to review the board's responsibilities and to review and comment on the board's screening criteria for applicants and its interview and selection procedures before the process begins. The CSB shall provide a current position description and the advertisement for the position to the OSS for review prior to the position being advertised pursuant to § 37.2-504 of the Code of Virginia. Prior to employing the new executive director, the CSB shall provide a copy of the application and resume of the successful applicant to the OSS for review and approval for adherence to minimum qualifications established by the Department pursuant to § 37.2-504. This review does not include Department approval of the selection or employment of a particular candidate for the position. While § 37.2-504 of the Code of Virginia does not require an administrative policy CSB to employ its executive director under an annually renewable contract that contains performance objectives and evaluation criteria, the CSB should follow this accepted human resource management practice.

  2. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the CSB shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

  2. The CSB and its direct and contractual services will include these assurances in their services policies and practices and will post suitable notices of these assurances at each of their facilities in areas accessible to individuals receiving services.
  3. The CSB will periodically review its operating procedures and practices to insure continued conformance with applicable statutes, regulations, and orders related to non-discrimination in service delivery.
