Brief Biography

William E. Echelberger, Jr.

Bill Echelberger has a long history in Virginia State and local government. After graduation from Virginia Tech he began his career at the Virginia Department of Planning and Budget (DPB) in 1977. While with DPB he progressed through multiple areas from higher education to general government, and budget planning and policy.

In 1986 Bill joined the staff of the Senate of Virginia's Finance Committee. While with the Finance Committee he assisted the Virginia Senate with budget and legislative policy in such diverse areas as constitutional officers, general government, capital projects, employee compensation, health benefits, and retirement. In the 1980s Bill was heavily involved in development of the legislation and constitutional revisions governing the Virginia Lottery. In the 1990s, he was the principal author of the cutting-edge Virginia Sickness and Disability Program for state employees, in the 2000s Bill played a key role in the historic renovation and expansion of the Virginia State Capitol, and the 2012 reforms of the Virginia Retirement System.

Bill retired from the Senate staff in 2012 after thirty-five years in state government, twenty five of which were as staff to the Senate Finance Committee.

After a brief time spent painting, scuba diving, and hiking in the Andes Mountains, Bill returned to public service in 2014. From 2014 to 2022 he was on the staff of Richmond City Council Chief of Staff Office as a budget analyst. Bill is now retired for the second time.

In my 9 years as a Virginia attorney, I have litigated and advised clients about how to best read and understand legislative enactments, not only based on analyzing the natural reading of the legislative language (including resolving ambiguities and contradictions) but also in putting those enactments in their historic context. This skill set is well-suited for the primary duties being entrusted to the Commission.

I have also participated in several cases implicating Virginia localities or other public institutions or personnel, which has informed my perspective on the unique concerns for these public bodies. I would bring a perspective that is sensitive to these concerns when performing the duties entrusted to the Commission.

In 2014 I earned my Master of Liberal Arts degree from University of Richmond, where I focused on community cultures using Richmond as a case study for many areas. Part of my coursework on community organizations included a trip to Richmond Upon Thames with the Scenic Virginia delegation in March 2014, where I got a firsthand look at the relationship between our two cities and how sister cities can support one another.
