The removal of the pedestals on Monument Avenue is premature. It is just another example of throwing money at a problem before a real and permanent solution has been thought through.

Look at the planted plots on Lombardy near that pedestal and see what the plan to plant the area will look like in just a few months.

I strongly believe the pedestals should stay (to preserve some semblance of order) until whatever permanent plan for these areas is designed.

Carole C. Conner
1800 Monument Avenue
