

Special Permit (Nurse) Application for Cherrelle Hurt 3017 Forest Hill Avenue, 23225

1. Application
2. Fee – Attached

3. Proposed Use

The property is my home and has previously been utilized VA Department of Social Services licensed Family Day Home. The space that was used for the early learning day home was the lower level room (family room) that was accessible by using the back door of the home via the adequate parking in the rear of the home connected to the alley. The learning center mission is to provide affordable and safe care to all children as well as ensure they become lifelong lovers of learning.

- A. There is no present threat to the safety, health, morals and general welfare of the community involved.
- B. The rear entrance ensures safe passage and prevents congestions. Parking is available inside gated fencing of resident.
- C. No risk of fire, panic or other dangers
- D. Lot in rear has adequate space
- E. n/a
- F. n/a
