Councilor Reva Trammell stated that Council has put a lot of funding in the affordable housing trust fund, and she would like to see a report on those exact figures.

Councilor Kenya Gibson stated that she would not be voting in support of the paper as presented. She also stated that the housing trust is an effective tool because of the oversight involved, and she would like to see more comprehensive financial reporting in the future.

President Newbille stated that the affordable housing crisis is a much larger issue than can be addressed with a single piece of legislation, but the current policy on Affordable Housing Trust Fund allocations needs to be rewritten to be more specific than “up to one million dollars.”
