**8<sup>th</sup> and Main Building Special Use Permit Amendment for Building Sign**

Dear Ladies and Gentlemen:

On behalf of Plaza Associates, L.L.C., the owner of the Wytestone Plaza Building located at 801 East Main Street, Richmond, Va.

adjacent to Dominion Energy's 8<sup>th</sup> and Main building, this is to confirm our support of the above referenced SUP Amendment application. We understand and appreciate Dominion Energy's desire to proudly identify its building, and notifying the public and community of their proposed plan for a building rooftop mounted sign. The sign will complement the existing skyline by enhancing the aesthetic quality of the downtown community, especially at night. We have examined the sign plans and believe the proposed sign will be in harmony with other area building signs. We respectfully urge the Planning Commission and City Council to approve the application.
