## RICHMOND OFFICIAL RECOGNITION AWARD

By virtue of the authority vested in the United States of America, Commonwealth of Virginia, Virginia Code of Laws and the Richmond City Charter: Richmond City Council, the governing body of Richmond, Virginia, in the United States of America, does hereby officially recognize:

### Richmond Anniversary of Hiring the First City Police Officers of African American Descent

The Honorable Members of Richmond City Council, the governing body of Richmond, Virginia, in the United States of America, do hereby unite in solidarity and common purpose to recognize, honor, and commemorate Richmond's anniversary of hiring the first Richmond Police Officers of African American descent in Richmond, Virginia.

On May 1, 1946, the Richmond Police Department took a leadership role on behalf of service, equality, and social justice and hired four police officers of African American descent, which was a first for the city against the backdrop of a racially segregated society at the time. This pioneering effort was a tribute to the progress of Richmond, the Richmond Police Department, and to the individual dedication, determination, and achievement of the trailblazing officers.

The first four devoted Richmond Police Officers of African American descent hired were Howard T. Braxton, Doctor P. Day, Frank S. Randolph, and John W. Vann. These intrepid new Officers were assigned to serve at the Richmond Police Department - First Police Precinct, located at the corner of Smith and Marshall Streets.

Essential to the safety and security of Richmond residents and visitors is having professional law enforcement officers, staff, and support personnel, as provided by the Richmond Police Department, who serve with honor and fortitude in delivery of their duty, which, due to the exceptional nature of their work, puts them in harm's way.

Richmond City Council officially recognized and commemorated the historic date of May 1, 1946 beginning in 2016 as the Richmond Anniversary of Hiring the First City Police Officers of African American Descent and forever venerates the four Officers and the importance of this important chapter in the advancement our city's progressive narrative arc;

**Now, Therefore,** Richmond City Council does hereby officially recognize, honor, and commemorate the date of May 1, 1946 in perpetuity as the Richmond Anniversary of Hiring the First City Police Officers of African American Descent; commends the devotion of the Richmond Police Department and Richmond Police Officers Howard T. Braxton, Doctor P. Day, Frank S. Randolph, and John W. Vann; and, brings this to the attention of all Richmond residents, that they may join in this celebration.

In Witness Whereof, we have hereunto given under our hands for presentation on the fifth day of May, two thousand nineteen, of the Common Era, in the two hundred eighty-first year of the foundation of Richmond in 1737, in the two hundred forty-second year of the Commonwealth of Virginia and United States of America.
