JOHN MAYFIELD

RON MOSES

DANTE BURGOS

EVAN NELSON

DR. ANTIONETTE V. IRVING, SHERIFF  
CITY OF RICHMOND

*Work Ready, Home Ready,  
Community Ready*

The National Center for Construction Education and Research (NCCER) Core Curriculum is a prerequisite to all other Level 1 craft curriculum. Its modules cover topics such as Basic Safety, Communication Skills and Introduction to Construction Drawings. Completing this curriculum gives the trainee the basic skills needed to continue education in any craft area he or she chooses. This class was held three days a week virtually with the exception of CPR which was held face to face. Richmond City Sheriff's Office has had six residents (4 pictured) to complete the NCCER to include CPR.

**John Mayfield, Ron Moses and Dante Burgos** have successfully completed the courses and received OSHA 10, First Aid and CPR Certifications. **Evan Nelson** completed the course and received OSHA 10 and CPR Certifications.

Our returned citizen **Kevin Lacey** continues to excel through Community College Workforce Alliance (CCWA) at John Tyler Community Center and completed his First Aid and CPR Certifications. He received OSHA 10 Certification while at the RCSO.

*Moving Forward...  
A Step in the Right Direction!*
