RE: Authorization for the Chief Administrative Officer to execute a Mitigation Plan

Memorandum of Agreement (Mitigation Plan) between the City of Richmond, the Virginia Department of Historic Resources (DHR), and Canterbury Development Group LLC for the purpose of ensuring City compliance with the Programmatic Agreement between the City and DHR for the administration of Section 106 of the NHPA.

ORD. OR RES. No.

PURPOSE: To authorize the Chief Administrative Officer, for and on behalf of the City of Richmond, to execute a Mitigation Plan Memorandum of Agreement between the City of Richmond; the Virginia Department of Historic Resources, the State Historic Preservation Office of the Commonwealth of Virginia; and Canterbury Development Group LLC, for the purpose of ensuring City compliance with that certain Programmatic Agreement between the City and the Virginia State Historic Preservation Office, dated June 24, 2019 and most recently amended June 18, 2024, through establishment of an agreement to mitigate an adverse effect related to the development of Swansboro Place, 2008 Hull Street.

BACKGROUND: The City of Richmond is the administering agency for local programs receiving

federal assistance from the US Department of Housing and Urban Development (HUD), including, but not limited to the following: Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), Emergency Solutions Grant (ESG), Housing Opportunities for Persons with AIDS (HOPWA), Choice Neighborhoods, HOPE VI Program, Project Based Vouchers (PBV), Section 108 Loan Guarantee Program, Community Project Funding Grants, the Self-Help Homeownership Opportunity Program (SHOP), and Lead-based Paint Abatement Program Activities. The City is thus responsible for certifying the compliance of those programs with the National Environmental Policy Act (NEPA) of 1969 and the federal regulations at 36 CFR Part 800, et seq. that implement Section 106 of the National Historic Preservation Act (NHPA) of 1966, as amended. Since 1993, the City of Richmond has carried out its Section 106 responsibilities under the guidance of a Programmatic Agreement with DHR, Virginia's State Historic Preservation Office (SHPO).

Under Stipulation VI of the Programmatic Agreement, the City shall consult with the SHPO and other consulting parties to identify appropriate mitigation that is based on the degree of the adverse effect and the level of significance of the historic property. In this instance, Canterbury Development Group plans to carry out the development of Swansboro Place, 2008 Hull Street, Richmond Virginia (Undertaking) utilizing funds from the Equitable Affordable Housing Program administered by the City of Richmond and project-based vouchers issued by the Department of Housing and Urban Development. The SHPO advised the City that the size and scale of the Undertaking would have an adverse effect on the design, setting, feeling, and association of the adjacent listed and eligible historic districts. The City entered consultation with interested parties to determine appropriate mitigation measures which are contained in the Mitigation Plan.

COMMUNITY ENGAGEMENT: The City of Richmond consulted with the Historic Richmond Foundation, the Catawba Indian Nation, Delaware Nation, Pamunkey Indian tribe, Swansboro Association, and property owners within 150 feet of the project.

STRATEGIC INITIATIVES AND OTHER GOVERNMENTAL: The execution of the Mitigation Plan has a direct impact on the completion of the development of the Swansboro Place, 2008 Hull Street, Richmond, Virginia. Without the Mitigation Plan, construction may not proceed.

FISCAL IMPACT: None

MITIGATION PLAN MEMORANDUM OF AGREEMENT

THIS MITIGATION PLAN MEMORANDUM OF AGREEMENT regarding Swansboro Place, 2008 Hull Street, Richmond Virginia (this "Mitigation Agreement") is entered into as of the ___ day of September, 2024 by and between **THE CITY OF RICHMOND, VIRGINIA** (the "City"), a municipal corporation and political subdivision of the Commonwealth of Virginia; **THE VIRGINIA DEPARTMENT OF HISTORIC RESOURCES** ("DHR"), the State Historic Preservation Office of the Commonwealth of Virginia; and CANTERBURY DEVELOPMENT GROUP LLC, a Virginia limited liability corporation (each a "Party," and collectively the "Parties").

RECITALS

WHEREAS, Canterbury Development Group LLC (the "Applicant") plans to carry out the development of Swansboro Place, 2008 Hull Street, Richmond, Virginia (the "Undertaking"), which development (the "Development") is further described in City of Richmond Ordinance No. 2024-193 (the "Ordinance"), by utilizing funds from both the Equitable Affordable Housing Program administered by the City and HUD-issued project-based vouchers; and

WHEREAS, the City administers programs receiving federal assistance from the US Department of Housing and Urban Development (HUD), including, but not limited to the following: Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), Emergency Solutions Grant (ESG), Housing Opportunities for Persons with AIDS (HOPWA), Neighborhood Stabilization Program (NSP), Project Based Vouchers (PBV), Section 108 Loan Guarantee Program, and Lead-based Paint Abatement Program Activities (collectively, "HUD Program Activities"); and

WHEREAS, the City implements HUD Program Activities through relationships with community development corporations and nonprofit organizations (sub-grantees), as well as with the Richmond Redevelopment and Housing Authority (RRHA) and other development-related entities; and

WHEREAS, as the administering agency for the HUD Program Activities, and in accordance with 24 CFR Part 58.1 *et seq.*, the City is responsible for certifying that undertakings funded through HUD Program Activities are compliant with the National Environmental Policy Act (NEPA) of 1969, and with 36 CFR Part 800 of the regulations implementing Section 106 of the National Historic Preservation Act (NHPA) of 1966, as amended; and

WHEREAS, the City and DHR, which serves as the State Historic Preservation Office (the "SHPO"), and the Advisory Council on Historic Preservation (the "ACHP"), have determined that the City can more effectively carry out its Section 106 responsibilities for HUD Program Activities if a Programmatic Agreement (the "Agreement") is used to

streamline the administrative process where agreed-upon criteria and procedures are followed, which Agreement the City Council of the City of Richmond, Virginia most recently approved by City Ord. No. 2024-133; and

WHEREAS, in accordance with Stipulation IV(D) of the Agreement, the City initiated consultation with DHR on October 13, 2023, having determined that the project was an undertaking with the potential to affect historic resources because of its proximity to the National Register-listed Manchester Residential and Commercial Historic District (127-7195) and the potentially eligible Swansboro Neighborhood Historic District (127-7867) (the "Historic Districts"); and

WHEREAS, on November 14, 2023, DHR advised that the Undertaking would have an adverse effect on the Historic Districts, finding that, "The proposed approximately 74,300 square foot, four-story residential building is not compatible with the Manchester Residential and Commercial Historic District's and Swansboro Neighborhood's one- to two-story commercial and residential buildings which surround the project area. The proposed building is also not in keeping with the design, massing, and overall rhythm of Hull Street, a significant corridor. The districts' design, setting, feeling, and association will be diminished by the proposed undertaking" (the "Adverse Effect"); and

WHEREAS, revised elevations were submitted to DHR on January 3, 2024, and on January 18, 2024, DHR advised that while improved, the Undertaking would still result in the Adverse Effect and recommended consultation be initiated in accordance with Stipulation VI of the Agreement; and

WHEREAS, on March 1, 2024, the City entered consultation with Historic Richmond Foundation, the Catawba Indian Nation, Delaware Nation, Pamunkey Indian Tribe, Swansboro Association, and property owners within 150 feet of project. Each of the correspondents were given 30 days to respond; and

WHEREAS, the City received one response, which was from the Catawba Indian Nation; and

WHEREAS, on May 2, 2024, the city notified the ACHP of its finding of the Adverse Effect; and

WHEREAS, having so notified the ACHP, the City has worked with the SHPO and the Applicant in accordance with the Agreement to develop a plan to mitigate the Adverse Effect.

NOW, THEREFORE, in consideration of the foregoing recitals, incorporated herein and made a part hereof, and in consideration of the mutual covenants and agreements hereafter set forth, the City, the SHPO, and the Applicant hereby agree as follows:

Applicant shall have completed installation of such display prior to its application for a certificate of use and occupancy, or temporary certificate of use and occupancy, for the Development.
 - b. Recognition.** The City shall request that the City's History and Culture Commission (the "HCC") consider, as part of its local historic marker program, an historic marker for Swansboro that takes inspiration from the Southside Survey for its nature and location.
