ORDINANCE/RESOLUTION SUMMARY

Amend City Code §9-58, which assigns polling places in the city and 9-86, which establish boundary descriptions for Precincts 409; to amend §9-124, which assigns precincts to City Council and School Board Districts; and to amend ch. 9, art. III by adding therein a new §9-86. 1, concerning the precinct boundaries for a new Precinct 415, for the purpose of establishing a new polling place and new precinct boundaries within the Fourth Council District.

BACKGROUND

This Ordinance proposes to split the Precinct 409 election polling place, located at J.B. Fisher Elementary School, 3701 Garden Road and create a new polling location, Precinct 415 at Christ the King Lutheran Church, located 9800 W. Huguenot Road. The request is made by the General Registrar due to a

significant population increase of voters and activity which may impact future elections.

The dividing line of the changes to the current precinct boundaries is shown in the attached map to delineate the precinct boundaries for the existing precinct, 409 and proposed precinct 415.

Any changes to precincts must be done no later than February 1, 2019 as the General Assembly enacted legislation for a moratorium to freeze precinct changes and boundaries in preparation for the 2021 redistricting. The proposed polling place is accessible for persons with disabilities. Upon adoption of this ordinance, all registered voters (1,886 voters) affected by these changes would be notified at least two weeks before the next election.

The cost of this mailing is approximately \$4,800. The Office of the General Registrar does not have an appropriation for this cost as the immediate need for this change was not foreseen, but currently it is considered essential and mandatory.
