> Hi Joe, just wanted you to know how much Ray and I appreciate all the hard work you've put into making the new addition attractive AND safe for the children. Initially I was unsure how the rooftop play area was actually going to look, but when we got home from vacation on Sunday I was really happy with what I saw. I love the kids but I appreciate the walled area for providing an extra layer of security for the little ones as well as increasing their privacy, and that's important these days! Once again, thank you for constantly striving to improve the daycare.
