To: The Honorable Mrs. Hillary Rodham Clinton:

Dear Mrs. Clinton:

I am writing to you today, with a most reasonable and powerful request that should act as an appropriate display of the effectiveness that a second Clinton Administration could have offered: should such have come into fruition. As we have "ALL" witnessed over the past few years now, this Presidency has become an exercise in futility at best, and an exhaustive attempt at completely destroying the One and Only Factor in "OURS" being a most Popular and Powerful Nation.

An attempt at destroying Our CHRISTIAN Culture, Our CHRISTIAN Faith, and Our CHRISTIAN Heritage, given and delivered to US by the Only True, Powerful, OMNIPOTENT ALMIGHTY GOD: "THE GREAT I AM". Now based upon some of your very own views and opinions; as well as those of Mr. Clintons' as well; has this Presidents' Administration prospered with abominations, such as gay marriage attempts. Now as I understand the Bible, it addresses this attempt, days of TIME, HIS STORY, etc., as the "Indignation". And for you and your families souls sake, you must change your thinking and willingness to support such, because "TIME" is about to be one of Our Nations Greater Enemies.

And Mrs. Clinton, if you should wonder why the Republicans are picking your person so very hard with respect to the Benghazi Libyan incident, is truly because they believe that they might prevail to win back over the Presidency to one Republican of un-Christian like jerkhood, or another. But I need for you to understand with clarity, that such is not the case. But rather, the overly redundant criticism of what took place at Libya is GODS' Way of constantly reminding HIS Saints and HIS Laborers; that "TIME" as we have known such, shall soon be: "No More".

Today; Mrs. Clinton; I'm dismayed to inform you, that this will probably be the last Administration in American History, as this: the Obama Administration, is no doubt; in my opinion; the forth and thus: the Last Kingdom upon the Face of this here planet as we have known such. (Part of iron, and part of potters clay). And I believe that the Black man is the mry clay, as realized by the way that "ALL" of Our leaders; to include the President; just won't stick together, or L.e., together with US. What follows this letter; taken from the Bible; explains in brief what will undoubtedly, shortly come to pass. But for the purpose of intellect, observation and study, I'll let you do your own math and draw your own conclusions. The Administrations debacle of the Nations Veterans Healthcare, is proof that the President is incapable of follow-up on any "Good Thing". Do you remember how you had intervened on our Dad's case, such that my mother received a little of what was indebted her (Us) by this Nation before her death? Well this is a small revisit from a position of "Change", L.e., the Nations people "were" a privileged people, but "ALL" of that is completely changing: "COMPLETELY".

And there is "No Way" OUT: But JESUS CHRIST; IMMANUEL IS THE WAY!!!

Finally, I am writing with respect to your position as the new Party's Leader, during this lame ducklings' last promiscuous stand, such that you: by means of the Authority of the Justice Dept., will consider the prosecution and conviction of mayor Dwight C. Jones, his son, Jeff Bourne, and especially his main partner in crime: Byron Marshall. To also include others on City council, the Assessors office, the totally ineffective Commonwealth's Attorney Mike Herring and equally, the more ineffective Attorney General Mark Herring, of which: "ALL" of these; in my opinion; have committed fraudulent acts, by virtue of the "Total Neglect" of their "SWORN" Elected Duties.

On a daily basis: "Continually" does mayor "Blighted Community" Jones, of the Pot-hole City, Virginia; attempts and effectively neglects: "ALL" of the "Villages" business, in a daily effort to play and live the role of "LAP BABY" for every possible thing that he can steal, exacting every bit of influence at his disposal with "Secret Societal" influence peddling and racketeering; in my opinion. Together with L. Douglas Wilder; in my opinion; have these two "especially", effectively disrupted the growth potential: "Of A People". Simply put: Lock them up!!! This; no doubt; will GOD Grant to you from an HIGH, as part of your redemptive qualities.

Finally, Finally, to "ALL" of the Pastors in the WORLD, To: the ALL of you. I am absolutely ashamed of you, especially Our Countrymen and women. The Bible says: To obey the Laws of the Land as long as they don't conflict with the LAWS OF GOD. And among you are a "Mass of Failures"; pure and simple; continuing to bite your tongues in honor of the Obama Administrations' Abominations, over and against: THE WORD OF GOD. Give up your tax breaks, those of you whom have understanding, and shall remain, and speak THE TESTIMONY OF JESUS CHRIST to your congregations, preparing them for the "TIME" of Sorrows that have started small in comparison to what is to come. And to the rest of you, I will speak to the LORD GOD ALMIGHTY in JESUS' NAME to simply rid US of you "failures".

Mrs. Clinton: your intervention will save lives per the Earthquakes, Volcanoes, Space Junk and Super Tornadoes/Hurricanes and Hail Fires such as never before realized by "any" of all of these present "Generations". May GOD BLESS "ALL"; that read; with open hearts: UNDERSTANDING.

Sincerely,
Eric Lang Tinsley

A. D. 2014 September 5th Friday

To the reader: Some thousands of years ago, Adam and Eve failed humanity in the Garden of Eden because of "Disobedience", and I suppose because of Greed, and Covetousness. They allowed the tempter to cause us all to suffer. So immediately starting with their very own offspring, mankind began to realize evil like jealousy, murder, and selfishness among the vile and vain continuous thought: that is imaginable. Now the Bible tells us to: beat your child with a rod to save their soul(s). So I suggested to the **LORD GOD**, that this is very good advice, and that **HE** maybe should consider doing such for the wicked. Because, we are to love our neighbors as ourselves; I do call upon the **LORD** to share with wicked folks: Some of this awesome "Chastisement", because the Bible states that those whom **GOD LOVES, HE CHASTISES**. But when I suggested such a thought, it appears to me that **GOD** replied: **"THEY'RE NOT MY CHILDREN"**! And I found myself sounding like Maury Povich of "Crazy Talk", saying to the **LORD**: **"YOU ARE THE FATHER"**. Now among you all, are no doubt very hard working people, and some of you feel that you do enough already, but because our ministers and leaders of the Churches have lifted themselves so high above the common individual, like unto what satan did to bring down 1/3rd of the angels of **GOD**. It is expected of people like myself, who know the way; to use **"FAITH"** to effect change, because among the worst thieves in this **"LIFE"**, are those thieves that steals in the **NAME OF THE LORD**. And without a second thought, they use the **NAME OF JESUS CHRIST**: to steal. Driving Hummers and Cadillac's and extravagant vehicles to serve themselves, and their families. And likewise, the folks in government and the courts simply hurt good people, and they have the help of the media and other authorities to help them try and make a liar out of **GOD**. So like David, when **GOD CHOOSES** to give power and might to a lowly individual such as myself: to effect **"CHANGE"**, over and against empty promises of anti-Christ individuals, and we suggests to the **LORD**, to send them to a prison that no friend or family can deliver them out of, we have to consider the hopes and souls of their: **"OFFSPRING"**, the little children. Finally, the Bible states: That one moment in **GOD'S KINGDOM**, will be worth everything that we've gone through in this life. Hard to believe? **"YES"**, it is! But I believe every **WORD AND PRECEPT OF THE LORD GOD**. Even when I don't understand! But there's an unstated **"FACT"**: that one moment in that other place is punishment for **"ALL"** of the wrong doing of the wicked. And without an appeal to **GOD, IN JESUS'S NAME** by lowly folks like unto myself, through an **"UNBREAKABLE FAITH"**: nearly **"ALL"** of humanity might **"BURN FOREVER"**. But **GOD'S MERCY ENDURETH FOREVER**. So **"TRY"** and analyze that thought, when your evil hearts criticize: The fashion in which I might bring humanity to the **GREAT SUPPER OF THE LORD**, with **"USURY"**: **IN JESUS'S NAME**.

All of this is based upon my personal opinion !!! That I'm legally entitled to. After America's police have been seen beating a woman almost to death, choking a fat guy to death, killing a youth in cold blood, and watching our president remain cowardly silent, while picking the Russian President's person concerning men that should learn to fight and stand up for themselves (whose forefathers helped to overthrow Hungary, Czechoslovakia, and Poland. Know truly that I pray **Black Folks**: **"STRENGTH"** in **THE NAME OF JESUS CHRIST**. We have peace as a People, because **RUSSIA AND CHINA are STRONG !!!** And because of the **RELIABILITY OF Decent White Folks** And what about little Mo'ne Davis, and Chicago's (Black) Little League U. S. Baseball Champions? President Barach Hussein won't be acknowledging them, nor did he honor the young survivor of the 16th Street Baptist Church Bombing at Birmingham, AL in September of 1953 (Sarah Collins): who lost vision; in one of her eyes; as a result of the blast. And as I understand, every stained glass window had been blasted out, except for a stained glass window of **CHRIST: Leading the Little Children**. Thus one might conclude: that he's a president of the dead, and not of the Living. Afro americans such as the mayor and the president, want to be and replace your pet. Let dogs be dogs and cats be cats, but don't scratch them on the head or let such a coward or traitor become a welcomed house rat !!! P. S. And no more niggling on my part !!!

Today, very little has been done to improve the community, so let me tell you in brief what has happened. Over the past few months, I've spoken with an Officer Cappachelle with respect to extremely lazy and spiteful trash men, and their boss William Heckman. And as I was speaking with Mr. Cappachelle, I had made mention of the "broken window syndrome", and as I was yet speaking, Mr. Cappachelle interrupted me by acknowledging such in his words: "I know it very well". Now he did speak with the trash folks and they issued it down a very little, but like negro children: continued to pick. But not one thing seemed to change with respect to the stimulants and trendy homosexuals, nor the maintenance of the community. Now over some time, Mr. Steers: Even years Sir, I've tried to get our local media to help, because they say like like: "On your side", or "All of our reporters are investigators". You know the bleed and garbage that they promise. So I prayed and asked the **LORD GOD IN JESUS'S NAME**, to make the World unsafe for the Reporters, and their fellow workers: (Colleagues'), and to let them be confronted with force, because the only **GOD**, that **"THRES"** appreciate: is the **GOD OF FORCE**, just like the afro negress (*along effeminates*) president. Now I tried: Diane Walker of 35 Fox news, Sabrina Squire of NBC 12 News, a Sytvesty of Richmond Times Dispatch, Lorenza Hall of CBS 6 News and different folks at WRIC ABC TV 8 News, and they **"ALL"** have failed me and the community. So to cut to the chase Mrs. Williams: Thank you, because you are the only one of these whom truly seemed to have cared. You see Mrs. Williams: **GOD** has acted, in a fashion that even I wasn't expecting. You see, I wanted and paid: Per Leviticus the 27th Chapter: **GOD** to send an earthquake to kill every crooked one of them, to include the failures on and around these pages. Now **GOD** has allowed the former failure: of a superintendent of Public Schools: to be fired, and the governor is being tried and humiliated in the public's eye, and I believe that the mayors picture is beside his future home. My unbreakable faith forces me to believe such. But in my opinion: the failures whom proudly call themselves the "Press", or the "Media" and the police, CAPS, and all these around the page have caused two American press workers to be beheaded. And the guilt is theirs and the president's and the communities chuckles and others alike!!! And I'll prove it to you: Turn to the very next newletter, printed on the "GOTCHA!" News paper. Now look at what I'm wearing: The long orange tee-shirt that I'm wearing is of very similar comparison as to what these men were wearing, wouldn't you all agree. Now the key to all of this is the end message of the catechism song for young Catholics: **WALL THE QUESTIONS/ANSWER IS: "I wonder why the press hasn't enlightened the public about it???" YOU SEE FOLKS: JESUS CHRIST IS THE PAKTRIDGE IN THE PEAR TREE**. But the negroes, and the negroes, and the negroes, and the negroes are just simply too lazy to LOVE me or my SAVIOR. I've always hated this life of mine, because **GOD'S WAY** forces us to try and live with our hands completely tied. While the masses, and those of fraternal orders can sleep with strange bed fellows for money and power. Men with men and women with women, and when questioned by their children, they simply say: "It's a small price to pay to live this way", "Tchhh". So I give up!!! You've worn me out and are victors each of you. But not you Mrs. Williams, you've proven more MAN than even the president: Who have his nose and his tongue so far up some mans' bows, that he could give him a bowel reconstruction, if such was possible. I'm ashamed of the failures mentioned. Each one, and their children: surveillances them, and put them on "What's App", installations and any of all of the search engines, let us reclaim a clean city, state, and a much better Nation in the **NAME OF JESUS BA THE FIRST RESURRECTION**. We'll be watching you, thru cameras's and mlcro-telescopes!!! You can run, but we'll "Kendamp" LOL. Finally, finally, I wrote the High Court to give Virginia Time against the president's abandonment of desecration, and such was given back to the States on order #3396-The Prophecy is found in claim ct #339. The love of God is like the ocean, you can see its beginnings, but not its end...
This message works on the day you receive it.

MARY HAD A LITTLE LAMB

Mary had a little lamb,
His fleece was white as snow.
And everywhere that Mary went,
The Lamb was sure to go.
He followed her to school each day;
Twasn't even in the rule.
He made the children laugh and play
To have a Lamb at school.
And then the rules all changed one day,
Illegal it became:
To bring the Lamb of God to school.
Or even speak his Name.
Everyday got worse and worse,
And days turned into years,
Instead of hearing children laugh,
We heard gun shots and tears.
What must we do to stop the crime,
That's in our schools today?
Let's let the Lamb come back to school,
And teach our kids to pray!

IF YOU AGREE, PLEASE PASS IT ON!

LET THE RIVER FLOW

(Based on Matthew 5:20)

LET THE RIVER FLOW, LET THE RIVER FLOW, AND REFRESH MY SOUL/FLOW LIVING WATER.
FLOW LIVING WATER/THE WATER OF LIFE/FLOW LIVING WATER, FLOW LIVING WATER, FLOWING OVER ME
Kings 6:34

A blessing is coming to you in the form of a new job, a house, marriage or financial breakthrough.

Don't ask questions just forward to eight people and trust God!
