Sir:

I am a 40 year resident property owner and taxpayer of the City who feels that the "renovation" of Monroe Park has been a complete fiasco. At least, after all the damage that you have done, there should not be an ILLUMINATED sign for a commercial entity in the park. We voted down the one that the VMFA proposed on the Boulevard, and they have done quite nicely with a non-illuminated sign. Please do not put such a tacky, suburban commercial thing on Belvidere St, near the stunning ICA and this historic green space.

The hideous electrical mess behind the WWI memorial is done. (You could at least paint it a flat black-brown). But there is still time to stop this idea of an flashing motel-like advertisement on the other side.

Please do the right thing.
