

City Council Speech on Naming Trafford Road  
“ Police Memorial Way “

---

I'll be brief – I don't want to become emotional

---

Your unanimous vote tonight on this paper  
will be a milestone signature of appreciation for  
our law enforcement officers in this region.

A signature of honor — A signature of memory

For those now living – for the deceased

&

For those who sacrificed their lives –  
serving and protecting us –  
and our great City !

Thank You
