ORDINANCE/RESOLUTION SUMMARY

To amend Ord. No. 2016-264, relating to the permit parking district for the Carver neighborhood.

BACKGROUND

The goal of this legislation is to allow the Carver neighborhood to offer parking permits for businesses and employees via their parking permit program.

The neighborhood has expressed the need to provide paid permit parking for businesses and employees for years. Councilmember Jordan's legislative team worked with the neighborhood association and Department of Public Works to develop the proposed language amendments.

The desired outcomes are to ensure permit parking options are available to businesses and employees, and that there is fairness with respect to paying for those permits.

The potential introduction date for these amendments is July 22, 2024.
