Does Councilmember Addison want to withdraw Resolution No. 2020-R016? This is on the agenda for the Land Use Committee next week, but it seems unnecessary if a new O&R is going to be submitted.

Please let me know, and copy pam and Candice if it's withdrawn.

Thanks,
Bill

crosswalks, bicycle lanes, shared-use paths, and trails for the purpose of further promoting the City's Vision Zero traffic safety program;

NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF RICHMOND:

That the Chief Administrative Officer is requested to cause the Director of Public Works to conduct a study and provide recommendations to the Council concerning how applicable laws and regulations might be lawfully amended to require contractors, as a condition of any such contractor's permit, to provide protected walkways, crosswalks, bicycle lanes, shared-use paths, and trails for the purpose of further promoting the City's Vision Zero traffic safety program, which study and recommendations shall include, but not be limited to, the following, to the extent permitted by law:

1. Proposed revisions to existing laws and regulations that would require contractors to provide temporary protected walkways, crosswalks, bicycle lanes, shared-use paths, and trails whenever construction projects impede such walkways, crosswalks, bicycle lanes, shared-use paths, or trails.

2. Proposed revisions to existing laws and regulations that would require the revocation of any applicable permit issued by the City upon the commission of a second or any subsequent violation by a contractor of a requirement to provide a temporary protected walkway, crosswalk, bicycle lane, shared-use path, or trail.

3. A proposed fine structure for the first, second, and any subsequent violation of any applicable law or regulation requiring a contractor to provide a temporary protected walkway, crosswalk, bicycle lane, shared-use path, or trail.
