

Dear Mr. Watson,

I would like to request an exception from the city's Subdivision Ordinance Sec. 25-255 requiring sidewalks for the property located at 3204 Old Gun Road. The city's Department of Public Works has confirmed that a sidewalk is not appropriate in this area. Furthermore, we have granted a twenty-five foot easement to the city in the event of future expansion of Old Gun Road.

Thank you for your consideration in this matter.

Respectfully

Aaron
