If yes, please provide information on the nature of the contract.

Please List Your Educational Background and/or Other Expertise or Qualifications You Will Bring to This Authority, Board, Commission or Task Force:

I have lived in Richmond and worked as a practicing Architect for over 30 years. I have always been interested in the Commission of Architectural Review, but I have not had time until recently to consider being involved. I have lived in a historic district for almost 30 years and have a great appreciation for Richmond's architectural history, but believe that it is important to recognise that building techniques and materials have changed with time.

List other city of Richmond Authorities, Boards, Commissions or Task Forces you currently or have previously served on. Please give date(s) and office(s) held, if applicable.

*I have a Bachelor's of Architecture and have been a practicing registered Architect since 1993. Over the years, I have been involved with numerous Commission of Architecture projects and projects that deal with Historic Preservation Tax credits. I have worked as the Principal of two design firms and possess a wide range of experience in the design and construction of various project types. I live in a historic district (Church Hill) and appreciate the value of preservation while acknowledging that construction techniques and materials change with time.*

*I have been using the bus system in Richmond for many years. I find it enjoyable to try out different routes and use them as a starting point to explore various neighborhoods by walking or biking. Richmond is a great city, and the bus system is a convenient and accessible way to get around. Doing this I have come to see the great importance of a system of transportation not centered around the car. My mission, if accepted onto this commission would be to advocate for and to try and create a new vision of Richmond that is a safe and easily accessible environment for all Richmonders and their modes of transit. Countless studies done around the world and real-life city examples show a walkable, bikeable, and transit-oriented street grid is outrageously better for the health of the general populous. It also brings decreases in road deaths, decreases in pollution, decreases in noise pollution, and just overall creates better outcomes on every level. I want to encourage this in any way I can and getting to be on this board I think could be a great opportunity for activism on my part. While not currently residing in Richmond I plan to move back in the early summer of this year and will be trying to get involved much more in local community activities.*

# Richmond Redevelopment and Housing Authority

*Vacancies as of  
November 10, 2024*

Section 5.05(d) of the Charter of the City of Richmond (2006) expressly provides that “the appointment of members of a redevelopment and housing authority in the city shall be made by the council.” Section 36-11 of the Code of Virginia (1950) authorizes the Council to provide for not more than nine or less than five commissioners of the Authority. By Resolution No. 99-R46-80, adopted March 22, 1999, the Council increased the number of commissioners from five to seven as authorized by section 36-11 of the Code of Virginia (1950). Resolution No. 2010-R140-162, adopted October 25, 2010, increased the number of commissioners from seven to nine with the addition of a Council-appointed seat and an additional tenant representative seat.

Pursuant to section 36-11 of the Code of Virginia (1950), no commissioner of the Authority may be an officer or employee of the City. By Resolution No. 2003-R230-2004-R18, adopted January 12, 2004, the Council established a procedure to be followed for appointing one member living in public or assisted housing to serve on the Authority’s Board of Commissioners as required by the regulations of the United States Department of Housing and Urban Development. This resolution was further amended by Resolution No. 2010-R141-173, adopted November 8, 2010, which revised the process of appointing the tenant representatives to the board.
