ORDINANCE/RESOLUTION SUMMARY

The patrons request an ordinance to amend City Code Section 98-121 to maintain the tax rate at \$1.16 per \$100 of Assessed Value, which is an increase from the "Rolled Back Tax Rate" of \$1.072.

BACKGROUND

The City Assessor provided City Council with a report on the upcoming 2022 Land Book. With that notice it was indicated that the aggregate taxable base, is projected to increase by 13.04% to approximately \$35.9 billion. Section 58.1-3221 of the Code of Virginia, provides that when any annual assessment or general reassessment of real property would result in an increase of 1 percent or more in the total real property tax levied, such county, city or town shall reduce its rate of levy for the forthcoming tax year, so as to cause such rate of levy to produce no more than 101 percent of the previous year's real property tax levies. Each \$.01 of the tax rate generates approximately \$3.5 million dollars in total revenue.

Adoption of a tax rate that differs from the "Roll Back" rate requires a public hearing and notice in accordance with Section 58.1-3221 of the Code of Virginia. The patron request this tax rate option for Council to consider in anticipation of adopting a new Richmond Government Budget (Fiscal Plan) for the upcoming fiscal

year.

The requested introduction date is September 12, 2022.

REFERENCE: Required Public Hearing on 2023 Proposed Roll Back Tax Rate

The City Attorney's Office has indicated that the language of VA Code Section 58.1-3321, regarding real estate tax rollback requirements and the resetting of the tax rate, requires an O&R to be introduced at either the **September 12, 2022 or September 26, 2022** City Council Meeting. The City Attorney's Office recommends that the real estate tax rate ordinance be introduced at the **September 12, 2022** meeting to allow sufficient time for deliberation prior to adoption by no later than **November 7, 2022**.

The growth in land book value for Tax Year 2023, over the Tax Year 2022 land book, was 13.04%. Below are actual numbers used to measure the % change as required by the "Rollback" Statue, the estimated land book number used during FY 2023 budget process, and the estimated total 2023 land book value after new construction assessments are supplemented at the end of this calendar year.

Tax Year	Tax Base	Tax Rate	Projected Revenue	% Chg
2022*	\$31,758,008,000	\$1.20/\$100	\$381,096,096	
2023*	\$35,900,109,000	\$1.20/\$100	\$430,801,308	13.04
Other relative numbers:				
2022**	\$34,695,623,740	\$1.20/\$100	\$416,347,485	
2022***	\$36,079,609,545	\$1.20/\$100	\$432,955,315	

If a public hearing is not held, state law requires the tax rate to "rollback" to \$1.072, which is the tax rate that produces no more than 1% revenue growth over the same calculation in 2021.
