#### **PETITIONER**

Timmons Group

#### **LOCATION**

2613 and 2701 Belt Boulevard

#### **PURPOSE**

To approve an exception to Sec 25-219 of the Subdivision Ordinance to waive the requirement for an average lot depth of not less than 100 feet.

#### **SUMMARY & RECOMMENDATION**

The applicant is proposing to record a subdivision plat establishing 37 residential lots that are in conformance with Ord. No. 2022-049 authorizing the special use of the subject property for up to 34 single-family attached dwellings and three two-family dwellings.

However, the residential lots are not in compliance with Sec. 25-219 of the Subdivision Ordinance, which requires an average lot depth of not less than 100 feet. The applicant is therefore requesting, pursuant to Section 25-9 of the Subdivision Ordinance, an exception to Section 25-219 of the Subdivision Ordinance.

Staff finds that the proposed exception request is consistent with the Richmond 300 Master Plan and approved special use permit authorizing the development.

Staff therefore recommends approval of the exception request.
