

Kim and Ray Kidd own the 2009 Brook Road property that is currently used for industrial purposes and is located next door to The Spectrum Apartments.

The Kidd's have requested a Special Use Permit (ordinance #2018-245) for the purpose of constructing 224 apartment units on this 4-1/2 acres property. There would be 2 buildings; with one fronting Brook Road and one fronting Roberts Street. The Roberts Street access is under the first floor of the apartment building and restricted by height.

By signature below, I agree that the apartments will be a good use for the property and acknowledge my support for the Kidd's Special Use Permit.
