Comment in response to RES. 2020-R034:

GRTC currently occupies the sidewalk and street adjacent to the public safety building on 9th street between Marshall and Leigh for the Temporary Transfer Plaza. This area is used 7 days a week. This area is adjacent to the surplus parcels and will be impacted by the resolution that authorizes the CAO to issue a RFP for each of the Pending Surplus Parcels. GRTC would like to be part of the conversation, as they will need a permanent location either in the same location, or another location in the CBD area, as well as will need a temporary location during any construction.

Sincerely,

Adrienne Torres
