Matthew –

We are writing in support of Ordinance 2020-226, the proposed Special Use Permit for 2501 Monument Avenue (The Branch Museum of Architecture and Design). The Branch is an important cultural institution occupying a significant historic architectural resource designed by an architect of national importance. The changes to the SUP will allow additional flexibility for The Branch to operate, and ultimately to keep this important historic resource alive and in active use, while remaining a good neighbor to the community in which it resides.

Thank you for considering our comments.
