Mr. Roakes

As an active participant in the Deerbourne Community for over 25 years, I choose not to have the fire department practice facility located on or near Hickory Hill. As a citizen, I certainly appreciate the services offered by our fire and police departments.

However, the Deerbourne area is already bordered by railroad tracks that run behind our subdivision. The smoke and noise from this proposed facility will not affect nearby residents but wildlife and property values as well,

I have not been contacted by anyone regarding my input through flyers, text, email, or any other communication. As a long term resident of Deerbourne, I am privy to any materials distributed in my area. I did not get any notice other than the meeting held at Boushall Moddle school by the fire department.

We respectfully ask that our voices to be heard.

Sincerely

Melody Gray
