Thank you Mr. Saunders for giving me an opportunity to express **my approval** for the proposed new development at R & N 29th Sts - RVA 23223.

This development will be a nice improvement to the North Churchill community. It will also increase the appeal of historic Church Hill as an area to live, work and raise a family and there's the advantage of additional tax revenue for **OUR** City.

I hope to see this project come to life.

Regards,  
Thomas W. Cameron
