RE: Acceptance of Grant Funding

ORD. OR RES. No. _____

PURPOSE: To authorize the Chief Administrative Office to accept an amount of \$50,000.00 from Virginia Department of Fire Programs (VDFP) and appropriate \$50,000.00 to the Department of Fire and Emergency Services.

REASON: VDFP has awarded a grant to the Richmond Department of Fire and Emergency Services in support of obtaining a self-contained breathing apparatus (SCBA) training aid. SCBA skills are critical for the safety of our personnel and the efficient and effective delivery of emergency services to our community.

RECOMMENDATION: The City Administration recommends adoption of this Ordinance.

BACKGROUND: This grant initiative was awarded with the support of VDFP to obtain a SCBA training aid that will be utilized by Richmond Fire incumbents and recruit firefighters as well as regional partners. The SCBA is the most important tool used by all firefighters during a fire response. This tool is critical in allowing firefighters to get into burning structures to remove victims and control a fire. Proficiency in the use of a SCBA is important in normal fire ground situations, but it becomes crucial during mayday or firefighter down situations. Training on emergency SCBA procedures in a controlled environment will allow us to better and more safely serve the community. This training aid will also be used to safely train our specialty teams for response to both confined space and structural collapse scenarios.

FISCAL IMPACT / COST: If Adopted: The City will be able to spend up to \$50,000.00 in grant funds. Fifty percent (50%) of the project costs shall be provided from a non-grant cash match of \$50,000.00.

- **If Not Adopted:** The spending authority for these grant funds will not be established.

FISCAL IMPLICATIONS: \$50,000.00 in non-local funds will be available for these efforts.

BUDGET AMENDMENT NECESSARY: Yes to amend Special Fund Ordinance #2021-041.

REVENUE TO CITY: \$50,000.00
