

Special Use Permit

My name is Kathleen Creasey and I have been your neighbor here on Clarence Street for the past 10 years. The city of Richmond is now requiring all childcare providers to have a special use permit. I would like to ask you to support us in our effort to make a difference in our community with quality childcare. Please help by signing our petition. If you would like to know more please call me (804) 864-0934

Thank you
