SUBJECT: AMEND MAIN STREET STATION RENTAL FEES

ORD. OR RES. No. _____

PURPOSE: To amend City Code Appendix A to amend fees and rates to be charged by the City's Department of Public Works for leasing space at Main Street Station Venues.

REASON: To amend Appendix A Main Street Station rental fees.

RECOMMENDATION: Approval is recommended by the City Administration.

BACKGROUND: The City and the RMTA entered into the original Management Agreement on June 30, 2003, which was approved by Ordinance 2003-85-71, with a designated expiration date of June 30, 2006. The RMTA management pursuant to the agreement includes facility security (per active train station Homeland Security policies), facility caretaker (per AMTRAK/City Agreement), custodial services, event planning, facility operations for the Department of Economic and Community Development offices in the Headhouse and general maintenance of the station (per grant obligation following the Secretary of Interior Guidelines for Rehabilitation).

The First Amendment extended the Management Agreement for two years until June 30, 2008. The Second Amendment revised the Management Agreement from granting a two (2) year extension to a (1) year extension and extended the Agreement to June 30, 2009. The Third, Fourth, Fifth, Sixth, Seventh, Eighth, and Ninth Amendments extended the Management Agreement to

June 30, 2010, June 30, 2011, June 30, 2012, June 30, 2013, June 30, 2014, June 30, 2016, and June 30, 2017, respectively. The Tenth Amendment extended the term to December 31, 2018.

At the time of the original Management Agreement, only the Main Street Station Headhouse, central plant and parking east of the Headhouse were included in the Management Agreement, representing the property under the control of the City. Since that time, the City purchased the train shed and surrounding property including the Seaboard Building at 1500 E. Franklin St. Additionally, the City built the Plaza at Main St. Station south of the Headhouse on Main St. to serve as an improved passenger drop off facility, a tourism center for the motor coach industry, a parking facility to serve the Station and opened the region's most comprehensive electric vehicle charging station capable of serving all electric cars in service. Megabus began and continues operation at the Plaza at Main St. Station and serves 11,000 Megabus passengers a month.

The Tenth Amendment clarified the definition of the Train Shed in the Management Agreement, ensuring the services extended to the newly renovated train shed while accommodating the Virginia Tourism Welcome enter (a portion of the train shed licensed to the Virginia Tourism Corporation pursuant to Ordinance No. 2016-035).

The Eleventh Amendment to the Management Agreement between the City and the RMTA approved the extension of the Management Agreement for an additional six months ending on June 30, 2019 to transition management to the City.

The management of the Main Street Station was transferred to the City's Department of Public Works (DPW) effective July 1, 2019. The DPW's management will maximize the opportunity for greater efficiency and accountability and strengthen the City's ability and capacity to effect economic development.

Ordinance No. 2019-154 adopted on June 24, 2019 amended Appendix A to create the Main Street Station Fee Schedule.

Appendix A - Main Street Station Rental Fees needs to amended and create a multi-space package option. After a year of operations, the Main Street Station staff recommend removing the catering preparation room and the Bride's green room fees and include the use of these rooms with the rental cost. The entire Commercial Kitchen can be rented as a standalone or as an add-on for events, previously only the catering preparation room was available.

<i>Code Section</i>	<i>Description</i>	<i>Fee</i>
