Hi Coleen - I see this property is on the agenda for Tuesday's meeting. I won't be able to attend; will you please push for the original tile design to be replicated, as shown in the photo I sent below? Would you be able to also push for removal of the Dickson Properties sign next to the front door? That is not historic and detracts from the residential street (plus it's dangling - not well secured).

Please let me know. Hope you're doing well!

Thanks!
David
