October 29, 2020

Dear Mr. Ebinger,

I am writing you to express my support for the proposed 509-511 Libbie Avenue townhome project. I own the property across the street at 508 Libbie Avenue.

The plans for the project look good to me. Those townhomes would benefit the neighborhood and the city and we now have plenty of parking on the street. Call me if you have any questions for me. Thank you!

Sincerely,

A handwritten signature in cursive script that reads "William Falls III".

William F. Falls III, DDS
