What is the vision for Shockoe?

Shockoe is a vibrant, mixed-use, urban community, internationally recognized as the premiere destination for learning, experiencing, and acknowledging the impact of the domestic slave trade in the United States through interpretive landmarks, sacred spaces for reflection, and immersive exhibitions.

What are the major goals?

Promote Heritage, Culture, and
Historic Preservation

Memorialize and commemorate
the heritage and culture of
Shockoe and promote the
preservation of historic assets.

What are the major goals?

Grow a Diverse, Equitable, and Inclusive Economy

Expand economic development opportunities by developing a comprehensive program that highlights revitalization built around history and culture; entertainment, food and dining; and creative innovation and entrepreneurship.

What are the major goals?

Create High-Quality Places

Establish a safe, clean, and walkable neighborhood with active street facades, green and shaded open space, mixed uses, and new buildings that compliment existing ones.

What are the major goals?

Expand Equitable Transportation

Enhance walking, biking, and transit infrastructure to provide universal access to all users, prioritizing areas that lack infrastructure.

What are the major goals?

Sustain a Thriving Environment

Increase the tree canopy to mitigate the heat island effect and create greener spaces and increase pervious surfaces that will assist in the management of stormwater run-off.

What are the big moves?

Develop the Heritage
Campus

Rezone Shockoe

Expand economic and
small business
opportunities

Maintain a clean and
safe Shockoe

What are the priority projects?

Heritage Campus

Interpretive Center

National Slavery
Museum

Floodway and floodplain
analysis

Form-based zoning

What is our recommendation?

Staff recommends that the City Planning Commission **approve** CPCR.2023.025: a Resolution of the City Planning Commission to adopt the Shockoe Small Area Plan as an amendment to the *Richmond 300* Master Plan.
