RE: Grant of City EMS Permit to MedTrans Corporation

ORD. OR RES. No. _____

PURPOSE: To grant to Med Trans Corporation supporting Chippenham Hospital a permit for the operation of aeromedical rotor wing non-emergency medical service vehicles in the city and supporting a 100 nautical mile radius around Chippenham Hospital, upon certain terms and conditions.

REASON: To grant a non-emergency medical services permit for the operation of aeromedical rotor wing non-emergency medical service vehicles in the City of Richmond right-of-way and supporting a 100 nautical mile radius around Chippenham Hospital.

RECOMMENDATION: Approval of ordinance as submitted.

BACKGROUND: Med Trans Corporation supporting Chippenham Hospital is establishing a new base of operations for air medical services located in the city of Richmond. Under the City Code the vendor must secure a permit to provide those services within the City of Richmond. And, under 12 VAC5-31-420(c) An applicant for EMS agency licensure shall submit an ordinance or resolution from the governing body of each locality where the agency maintains an office, stations an EMS vehicles for response within a locality or is a Designated Emergency Response Agency as required by § 15.2-955 of the Code of Virginia confirming approval. This ordinance or resolution must specify the geographic boundaries of the agency's primary service area within the locality.
