

# SHIELDS AVENUE

ALLEY

This is a basic mock up of what we'd like to do with the space. Depending on table style we would have 4-7 tables. In cold weather we would add heaters or potentially a tent. At present the plan would be to have this area open from 4pm - 9pm Monday through Thursday, and from 10am - 9pm Friday, Saturday, and Sunday.

No car traffic will be affected through the alley as this area will only use space currently taken up by parked cars. We plan to have all pieces of the perimeter be moveable to accommodate for any situations that may arise regarding access to adjacent properties.
