David,

I have a customer that just constructed a new single-family dwelling and a new detached garage. He needs a SUP for the new detached garage because the garage does not meet the side yard (setback) requirement. Please see email chain below. The customer (Ihab Aramin) is someone you helped with a SUP for a new single-family dwelling that did not meet setbacks at 1203 N 19<sup>th</sup> Street, he now needs assistance with this garage.

Would you reach out to Mr. Aramin and assist him with the application process? You can reach Mr. Aramin by telephone at (804) 666-1615? If you prefer for Mr. Aramin to reach out to you that would be fine!

Thank you David!
