**RE:** Renaming and reappropriating Outside Agency Reserve lines to implement the new FY27 grantmaking process.

**ORD. OR RES. No.**

### **PURPOSE:**

To amend the Fiscal Year 2026–2027 General Fund Budget by renaming and reappropriating certain appropriations in the Outside Agencies section to implement the City’s FY27 grantmaking process.

### **BACKGROUND:**

In FY26, the City of Richmond announced its intent to change how it awards competitive grants to nonprofits. Beginning with the FY27 budget, the City moved from a City-managed application process to a new model that uses external expert grantmaking partners to manage competitive grants in four priority areas: Economic Mobility, Children and Families, Arts and Culture, and Health.

The City issued an RFP in December of 2025 to competitively identify grantmakers for each priority area. The following organizations were selected through that process:

- United Way — Economic Mobility; Children & Families
- Richmond Henrico Public Health Foundation — Health

## CITY OF RICHMOND

- CultureWorks — Arts & Culture

Instead of applying directly to the City, as has been done each December in previous cycles, nonprofits will apply through one of our grantmaking partners. These grantmakers will host information sessions and open competitive application processes during the summer of 2027. The RFP process was not completed in time for the selected grantmakers to be named in the adopted FY27 budget. As such, the funds were held in reserve lines in the FY27 budget, and the City must now reappropriate funds in those reserve lines to the selected grantmakers.

All funds reappropriated to Outside Agency lines will be subgranted by the identified grantmakers. Funds appropriated to the Department of Neighborhood and Community Services are for the purposes of paying the identified grantmakers for the necessary grantmaking services.

**COMMUNITY ENGAGEMENT:** The new process has been designed based on significant feedback over multiple years from the nonprofit community, City Council, and the City Auditor.

**STRATEGIC INITIATIVES AND OTHER GOVERNMENTAL:** Mayoral Action Plan

**FISCAL IMPACT:** The following reductions will occur: Reserve for Economic Mobility Grants reduced by \$1,465,856.00, Reserve for Children and Families Grants reduced by \$625,000.00, Reserve for Health Grants reduced by \$1,148,000.00, Reserve for Arts & Culture Grants reduced by \$601,400.00. The following new line items will be created and see the following increases: United Way of Greater Richmond and Petersburg – Economic Mobility Grantmaking increased by \$1,321,831.00, United Way of Greater Richmond and Petersburg – Children and Families Grantmaking increased by \$563,600.00, Richmond and Henrico Public Health Foundation – Health Grantmaking increased by \$1,044,310.00, and CultureWorks – Arts and Culture Grantmaking increased by \$520,000.00. \$390,515.00 in aggregate will be transferred to the Department of Neighborhood and Community Services for the procurement of grant administration services, comprising \$144,025.00 from Economic Mobility, \$61,400.00 from Children and Families, \$103,690.00 from Health, and \$81,400.00 from Arts and Culture.
