I am writing to express my interest in serving on the Parks and Recreation Board. As someone who grew up in Richmond, attended Richmond Public Schools, and has spent my professional life shaping communities across the region, I have seen firsthand the profound impact that parks and green spaces can have on individuals and neighborhoods.

With over 20 years of experience in real estate finance, land use, and development, I bring both strategic and practical insight into how land can be leveraged for long-term public benefit. I hold a B.S. in Accounting and an MBA in Real Estate Finance and Land Development from Virginia Commonwealth University, and my career has focused on creatively reimagining underutilized spaces, solving complex development challenges, and building enduring public-private partnerships.

Parks are more than amenities—they are essential infrastructure. They create belonging, promote wellness, and reflect a community's values. I would be honored to contribute my experi

I am currently a sophomore at Richmond community high school. Aside from getting good grades I am the vice president of my school's robotics clubs, I am also participating in a Chemistry program at the University of Richmond. Further in my involvement in my community I was given the opportunity to be a part of the Mayor's Youth Academy (M.Y.A): Youth Council, where their main goal is to amplify youth voices on issues that may go unseen or ignored. I worked alongside my peers developing a plan that would help inform the greater Richmond area on issues related to educational development, equity, and diversity that impact the greater Richmond area. We presented this plan to community members, allowing for a space for them to be heard, seen, and valued as members of their communities. Furthering my involvement with M.Y.A, I was able to intern with them during their summer work-based learning program. During my time as an intern I gained valuable skills related to planning, organizing, and communicating at a community level while

Volunteer Activities

I am a retired association management executive. Since my retirement in 2011, I have been heavily involved in volunteer and philanthropic endeavors. Below is a listing of some of my activities.

Rancho Mirage Public Library & Observatory: The Rancho Mirage Library and Observatory has been recognized as one of the finest municipal libraries in the state of California. I served as a member on the Library Advisory Commission from May, 2014 until April, 2018. The commissioners advise the Library staff, City Council and City staff on matters pertaining to the development, operation and maintenance of Library services to maximize educational, cultural, and research benefits. We were actively involved in budget development, the organization and production of the highly successful annual Rancho Mirage Writers Festival Series, and, during my tenure, helped in the planning and construction of the Observatory and the recruitment of a professional astronomer.

Mended Hearts: This is a national non-profit organization whose mission is to inspire hope and improve the quality of life of cardiovascular disease patients and their families through ongoing peer-to-peer support, education, and advocacy. I volunteered for this organization, through the Coachella Valley Chapter, ten hours weekly from 2012-2022 at Eisenhower Health, in Rancho Mirage, CA. I did peer to peer counseling with patients either facing or recovering from bypass surgeries, heart stent placements, congestive heart failure, arrhythmias, etc. I also did presentations to professional cardiac care staff on the services that Mended Hearts offers. I was also the Membership Chairperson for the local MH chapter, and produced sections of the monthly newsletter. I also spear-headed fund raising for the chapter's scholarship fund, and was a substantial financial contributor. I was recognized as Volunteer of the Year in 2018 for the Western Region (Hawaii, Alaska, Washington, Oregon, California and Nevada), by the national MH organization.

The Church of St. Paul in the Desert: I was a very active congregant in this Palm Springs, California, church from 2011 to 2022. Over the years I served on the church Vestry, (its governing board), the Finance Committee, Chairman of the Stewardship Committee, and also frequently served as a Lector in Sunday morning worship services.

University of Richmond: As an alumnus of UR, I have been involved in alumni activities since my graduation. Over the past decade, I have helped organize two class reunions, and have assisted in raising millions of dollars from former classmates. In our last class reunion, our fiftieth, 2024 committee members and I raised over \$12 million dollars for the University. I have also established two scholarship at UR, and have pledged a multi-million dollar gift which will be bequeathed upon my death.

Bachelors in political science and a Master in Public Administration. I am the policy manager for transportation issues with the Virginia Association of Counties (VACo). In this role I lead the VACo Transportation Steering Committee which is comprised of Boards of Supervisor's members from across Virginia where local transportation concerns are discussed. I also follow the Commonwealth Transportation Board meeting regularly and during the legislative session follow the activities of both the House and Senate Transportation Committees as well as their respective subcommittees. I often testify in the General Assembly advocating for local government and the transportation policies they support and/or oppose. N/A. Hoping this will be my first of many.

Other Community Involvement:

I coach Richmond little league baseball, am a member of the Ginter Park Residents Association and stay up to date with transit and transportation planning in and around the Richmond region.

(OPTIONAL) Please List Additional Information You Would Like Considered, or You May Copy and Paste Your Short Resume.

I am an inherent believer in public service. This is a Committee in which I can bring federal, statewide and local insight to through my job and one I have a personal passion for. Richmond is my home and I want to give back to my community in the best way I can and that is through a transportation committee like this one. I believe transportation is the largest and most underdiscussed policy area that has the most immediate impact on how we interact, work and play.

As a Government Relations Associate I am up to date and actively involved in the transportation policy space. In working with the 95 counties of Virginia, I have seen these policies be adopted in to practice. While county governments do not own their roads (outside of Henrico and Arlington) I am very familiar with how cities in Virginia may operate in their right of way. My areas of expertise include photo speed enforcement (speed cameras), SMART SCALE, Transit and other infrastructure upgrades. Thank you for the opportunity to apply.

How Did You Hear About or Who Referred You to Apply for Appointment to This Authority, Board, Commission or Task Force?

I saw this was open and knew I had to apply!

(OPTIONAL) Please List Additional Information You Would Like Considered, or You May Copy and Paste Your Short Resume.

Most of my community involvement hasn't been in the context of serving on a commission. But, I have provided financial support to non profits, churches, organizations and individuals serving residents in the City of Richmond. Last thanksgiving, I baked and donated 7 desserts for the meal distribution dinner providing Thanksgiving meals to students and the community by Faith and Love Fellowship Church. I have provided financial donations to the Broken Men's Foundation, Dance Academy of Virginia, Masonic Lodge and other efforts via crowdsourcing. I found this opportunity after voting on my 3 rvapb.org projects. I am so sorry that I missed the opportunity to submit ideas for that project because street cleaning, littering fines and signs would have included in my submissions not to mention an idea for a special program that would support and lead to employment with public works.
