Based on the number of students I see everyday at the high School I work at there is a sense of urgency to make sure a majority of these students have options. Absenteeism is high which leads to a majority of these students going to jail or prison. I used to work at Richmond Behavioral Health Authority as well as Elk Hill in Goochland. My passion is to see our youth as well as all who are incarcerated to have better alternatives.

I am an Assistant Professor in the Department of Gender, Sexuality and Women's Studies at VCU. I received my PhD in Sociology from Stony Brook University, specializing in Criminology, Gender and Sexuality, and Race and Ethnicity. My research examines how the intersections of race, class, and gender create differing experiences of marginalization and oppression for people who are LGBTQ+. I am well versed and have carried out both quantitative and qualitative research projects. Moreover, as a Translational Research Fellow, I work to translate academic research into relevant, high quality briefs and presentations for policymakers. I believe these skills will be valuable in the work of the CRB Task Force and the production of a final report to council regarding community driven recommendations for the format of the final CRB.

Dear President Newbille, Chairperson Trammell, Vice Chair Gray and Councilmember Hilbert:

As representatives of leading LGBTQ advocacy and service organizations based in Richmond, we are writing to offer our full endorsement of the application of our colleague, Eli Coston, for the Task Force on the Establishment of a Civilian Review Board.

It is critical that the LGBTQ community have a voice in making recommendations to the Council on the creation, structure and authority of a CRB. While there are only nine seats available on the Task Force, Eli will be able to serve as a liaison to our leadership group and will ensure that our community's voice and input are effectively represented in providing guidance to the Council on this much-needed step towards comprehensive public safety reform in Richmond.

For your reference, we are attaching our letter to the Council dated June 6, 2020 in which our leadership group called for the enactment of Marcus Alerts and the creation of a CRB.

Please let us know if you have questions or wish to discuss this matter further.

I am interested in politics, policing, and criminal justice so this task force seems like a perfect fit for me. I took AP US History and did very well on the exam, and that class helped spark an interest in government and civic engagement. I read the news daily and find this subject particularly engaging. I would welcome the chance to be civically involved in this way and work with other interested citizens. If I am accepted, I will be thoughtful and put lots of effort into the work.

Richmond Redevelopment and Housing Authority

Vacancy Chart

as of

February 7, 2021

Section 5.05(d) of the Charter of the City of Richmond (2006) expressly provides that “the appointment of members of a redevelopment and housing authority in the city shall be made by the council.” Section 36-11 of the Code of Virginia (1950) authorizes the Council to provide for not more than nine or less than five commissioners of the Authority. By Resolution No. 99-R46-80, adopted March 22, 1999, the Council increased the number of commissioners from five to seven as authorized by section 36-11 of the Code of Virginia (1950). Resolution No. 2010-R140-162, adopted October 25, 2010, increased the number of commissioners from seven to nine with the addition of a Council-appointed seat and an additional tenant representative seat.

Pursuant to section 36-11 of the Code of Virginia (1950), no commissioner of the Authority may be an officer or employee of the City. By Resolution No. 2003-R230-2004-R18, adopted January 12, 2004, the Council established a procedure to be followed for appointing one member living in public or assisted housing to serve on the Authority’s Board of Commissioners as required by the regulations of the United States Department of Housing and Urban Development. This resolution was further amended by Resolution No. 2010-R141-173, adopted November 8, 2010, which revised the process of appointing the tenant representatives to the board.

Being the Bilingual Parent and Community Liaison of George Wythe High School, Richmond Public Schools, for the past four years has been most rewarding. I have worked very closely with parents and students from several different Central American counties. This work creates opportunities for outreach to many local resources such as Communities In Schools, LULAC, Richmond Friends of the Homeless, Sacred Heart Community Outreach Services, Southside Community Services, STEM Latino and the Mayor's Youth Academy, just to name a few. Building relationships with these programs on behalf of our Richmond youth has been challenging and very rewarding. I continue to work as a mentor for our students in striving for excellence and leadership.
